During January, the COVID-19 pandemic continued to be an integral part of the Department of Public Safety operations as planning continued for 1-A vaccinations. Continued to follow the statewide statistics on the Department of Health dashboard. During the month, infection rates began to fluctuate with a minor downward trend. Public safety personnel continued the strict universal precautions protocols we initiated in the early months of 2020. Work from home policies were liberally permitted for staff whose job responsibilities, and technology would allow that practice. As continued practice from 2020, we maintained the highest levels of safeguard to the public and our public safety personnel who may be exposed to citizens infected with the virus.

Much of my time, as Director and Emergency Management Coordinator, continued to focus on monitoring the public safety preparedness and response to the potential virus impact to the employees and the Lower Allen Community. I also monitored the PEMA, FEMA, county EMA releases daily, and attended the Wednesday National COVID-19 White House Briefings offered virtually.

The highlights of January included:

January 5th – I made Notifications to candidates for Cpl of their written test scores.

January 11th – Promotional ceremony was conducted for Lt Foltz and Lt Sentman at the Board of Commissioner's meeting via Zoom.

January 14th – Cpl Oral exams were conducted.

January 18th – Civil Service meeting to approve the rule of three candidate lists for Cpl.

January 25th – Board approves the Cpl eligibility list and approves promotion of Mike Scarlato as number one to Cpl. From the list.

Attended numerous staff meetings and the public safety coordination meeting.

Respectfully Submitted,

David L Holl

Director, Department of Public Safety

DEPARTMENT HEAD:

While it is a new year, it is hardly a fresh start. All the issues of 2020 have transitioned seamlessly over to 2021. Fortunately, there is plenty of cause for optimism!

Sergeant Foltz and Corporal Sentman were promoted as Lieutenants this month. Lt. Foltz continues his work as Operations Commander. Lt. Sentman begins is on-the-job training with Lt. Thomas as Support Services Commander. Lt. Foltz continues his exemplary work, while Lt. Sentman is learning at a feverish pace, absorbing as much knowledge from Lt. Thomas as he can before Lt. Thomas' retirement. Lt. Sentman is meeting the challenge, head-on, and performing well.

Selection of the Corporal to back-fill Lt. Sentman's promotion has also taken place. Michael Scarlato prevailed in this process and was also selected to command the criminal investigations office.

Officer Fitzkee was released from field training. Officer Chimel-Freeburn continues to progress through his field training.

Throughout the month, Captain Crone attended Board of Commissioners Meetings, Department Head Meetings, a Civil Service meeting, and Police Command Staff meetings. A law enforcement mutual aid planning meeting was attended, and the Corporal interview process was attended. Additionally, on the accreditation front, Captain Crone and Compliance Specialist Echterling have been working diligently to ensure CALEA and PLEAC files are up to date.

A quote for the body-worn cameras was obtained and purchase approved by the board. The order has been submitted and we are now waiting for delivery. Unfortunately, no estimated delivery time is available due to high demand, manufacturing shortages, and other issues.

We still have one officer on light-duty. As of this writing, nearly all who had expressed interest in COVID-19 vaccines have received one or both shots.

Officer Rennie is the patrol officer of the month. On 1-17-21 at approx. 1409 hrs., Ofc. Rennie heard Silver Spring PD get dispatched to an active robbery at Best Buy. The robbery was to involve 6 suspects who were actively assaulting people. County advised that the suspects fled in a white Toyota with a partial registration. Ofc. Rennie positioned his patrol car RT 15N at RT 581E to see if the vehicle got onto the highway. Ofc. Rennie then observed a white Toyota with multiple occupants meeting the description of the robbery suspects. Ofc. Rennie tried to catch up to the vehicle to see if the registration matched the suspect vehicle. The vehicle continued to accelerate and pull away from him.

All suspects were taken into custody by PSP, Ofc. Cramer and Ofc. Fitzkee, as well as other supporting agencies. The suspect vehicle was stolen out of Maryland, and it was later discovered that this group of suspects were linked to 6 robberies and thefts in PA, MD, and DE. Great Job Ofc. Rennie!

There were two Naloxone administrations by police personnel in Lower Allen Township this month.

UCR Crime Statistics

Once again, there are issues with the UCR website that are preventing upload. This will resume with the next monthly report.

ARRESTS:

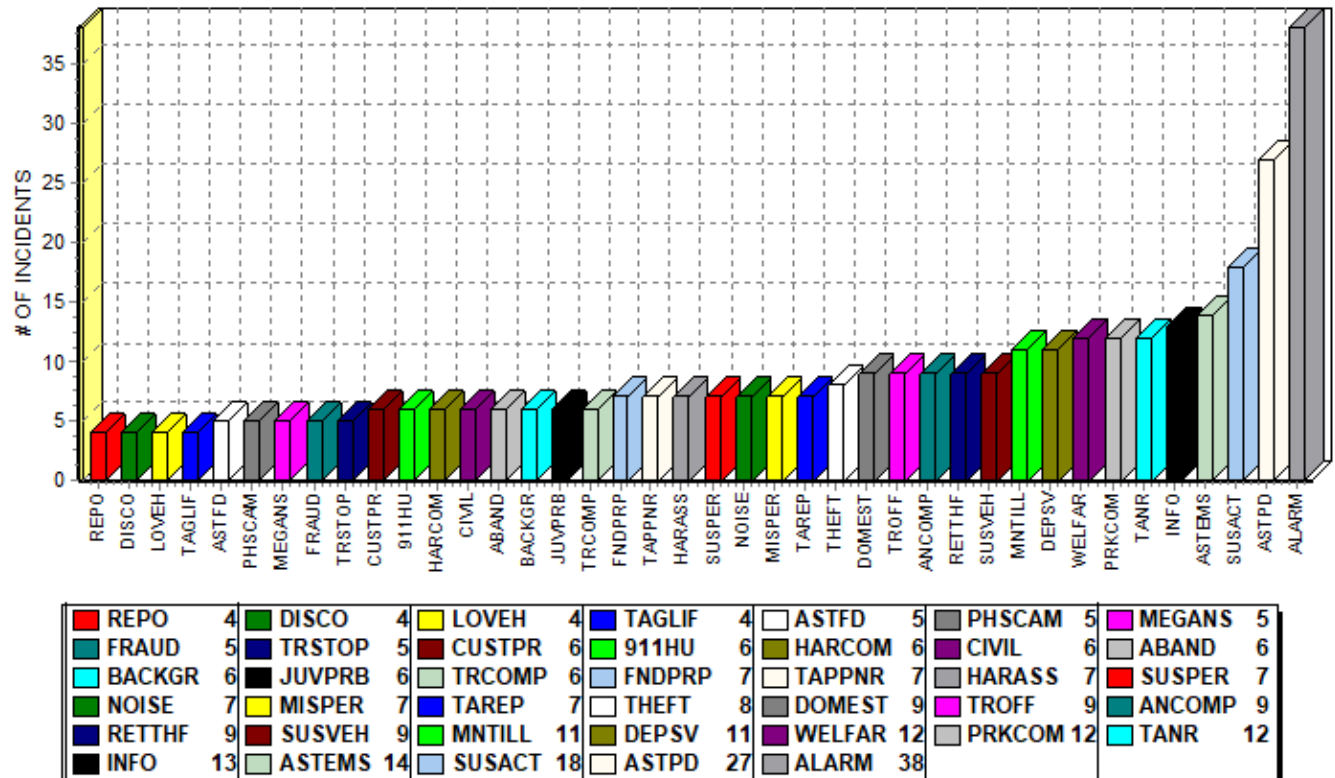

These are the charges for which arrests have been made in the month of December. There was a decrease in volume and variety over the November numbers, attributable to both the re-instated lockdowns and *most* people being on their best behavior through the holiday season. Numerous charges are still being filed due to closure of courts and restrictions on prison intake that may not appear in this month's statistics:

MONTHLY TOP 40 INCIDENT COUNT BY TYPE and SELECTED OFFICER LOG FIGURES

The most recent month figures are presented first, followed by last year's figures. In lieu of the multi-page listing, the two Top-40 charts were used. This, coupled with the monthly totals in other charts, creates a more succinct picture of police department activity. The Selected Officer Log Figures chart that follows the Incident Count charts are items that consume patrol resources but are not documented in incident reports.

Selected Officer Log Figures (October):

*of note here is a reduction over previous months. Limited CSO availability has hampered some of these activities. A hiring cycle for additional CSOs to fill allocated hours has been initiated.

RECORDS FUNCTION:

Records staff continues the normal daily routine of organizing, filing, and distributing paperwork as appropriate, as well as fielding calls for service over the phone and handling or directing walk-up customers (though rare, due to the building closure). Our short-staffing has somewhat been alleviated by a partial return-to-work, but a full return is still pending. Previous month's numbers included for comparison.

LOWER ALLEN TOWNSHIP

Department of Public Safety

[illegible]

The start of 2021 was dominated by the response to the on-going COVID-19 pandemic. The numbers of COVID-19 patients remained high until the 3rd week of January. A downward trend began the last week of January which has fortunately continued across the region. We are still treating at least one COVID-19 patient daily.

Staffing challenges related to the COVID-19 pandemic have improved since mid-January providing some relief to an on-going operational challenge.

The increased call volumes directly related to the COVID-19 pandemic at Bethany Village, The Woods, Encompass, and SCIC all started to trend downward. The implementation advanced safety procedures allowing for effective and safe personal protective equipment reuse and sterilization were completed. The implementation of these practices greatly reduces and, in some cases, eliminates the need for the continual purchasing and associated expense of personal protective equipment. These solutions provide for a safe workplace as well improve cost effectiveness.

EMS continues to see an increase in cardiac arrest patients which is associated with the COVID-19 pandemic. The increase in Cardiac arrest patients has been an on-going trend across the region and commonwealth. Additionally, there has been an increase of stroke patients which has been tied to the long-term effects of COVID-19. In addition to the continued increase in cardiac arrest patients a very dangerous trend of people failing to recognize common signs and symptoms of possible cardiac related problems such as chest pain, shortness of breath, arm pain and fatigue has resulted in a decrease of request for heart problems. Attempts to increase awareness on when to call EMS is being done across the commonwealth.

EMS began January short two full-time Emergency Medical Technicians. One of the positions was successfully filled with a part-time staff member providing a seamless transition. Recruitment of a replacement Emergency Medical Technician to fill the vacancy created in early January resulted in several interviews of possible candidates with mixed results. The search will continue until a replacement is found.

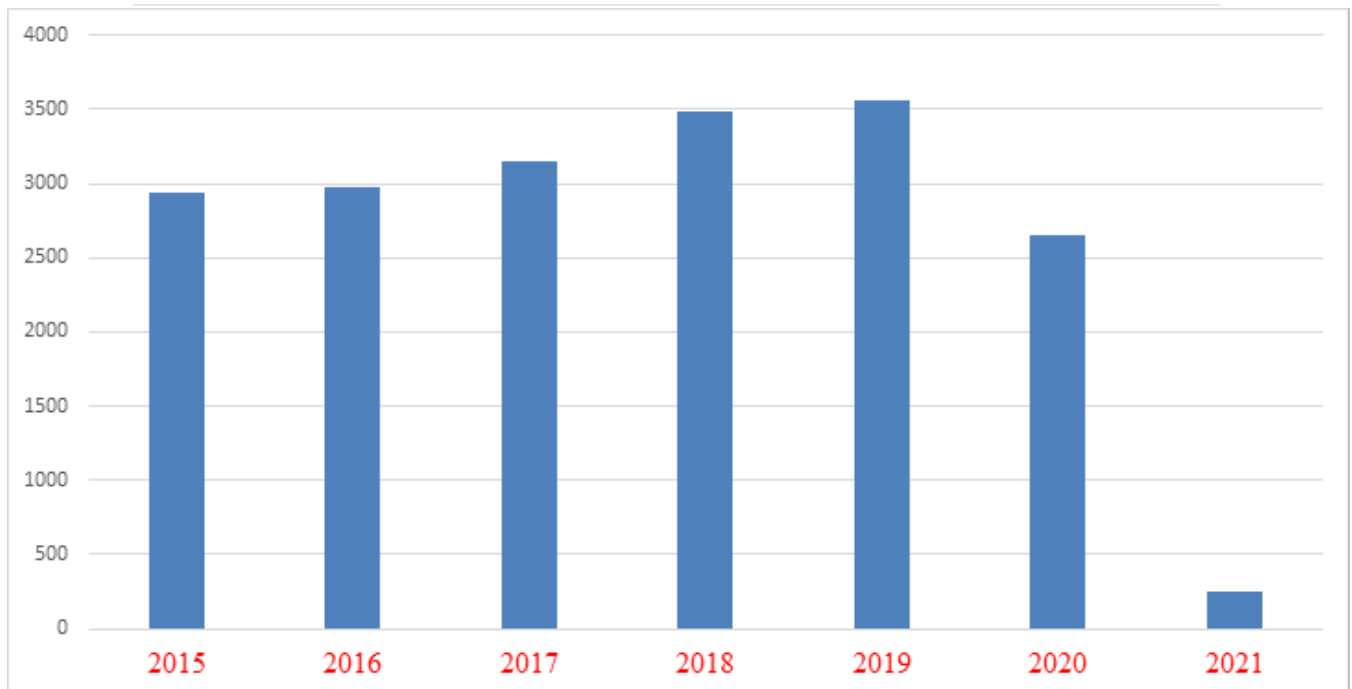

IV (Intravenous fluid) warmers were purchased (budgeted item) to provide for warmed IV fluid to be administered to trauma patients and hypothermic patients. Administration of warmed IV fluid is a standard of care preferred for EMS but rarely achieved by most EMS organizations. Achieving this standard of care is a benefit for the residents of Lower Allen Township. The purchase of the IV warmers provided immediate benefit to a resident of the Township during the snowstorm which occurred on January 31, 2021.

EMS has over 75% of the EMS staff choosing to receive the COVID-19 vaccination with currently over 50% of the staff having received both COVID-19 vaccinations and the remaining staff being scheduled to start their COVID-19 vaccinations in mid-February.

Captain Deaven continues to actively participate in the Cumberland County EMS council, EHSF, PA Bureau of EMS, Pennsylvania Emergency Health Services Council, Ambulance Association of Pennsylvania and Pennsylvania Fire and Emergency Services Institute.

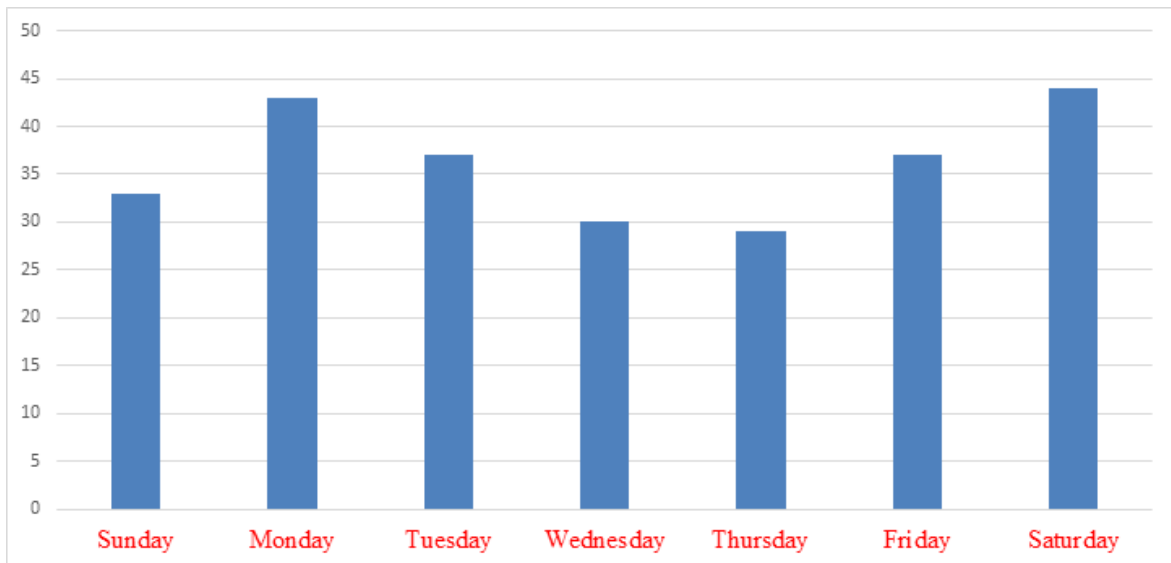

LATEMS has continued to deliver high quality, effective, efficient, and safe patient care directly to their side in every location. In January LATEMS touched the lives of 252 people.

Events/Activities:

The Lower Allen Township Department of Public Safety Continues the suspension of all car seat inspections/installs, smoke alarm installs, fire extinguisher training, and fire prevention presentations until further notice due to the increase in COVID-19 numbers. For now, Public Safety Officers will conduct Zoom appointments or taking contact information and once the COVID-19 restrictions are lifted, we will work to schedule those activities requested.

The Lower Allen Township Department of Public Safety resumed the suspension of all Fire Inspections and Property Maintenance Inspections until the end of March due to the increase in COVID-19 numbers. Public Safety Officers will focus on the training of the Volunteers/live-Ins and Pre-Planning activities.

The Lower Allen Township Department of Public Safety is continuing 24/7 PSO Coverage to ensure consistent Fire Apparatus Driver/Operator coverage during the COVID-19 pandemic.

On 1/8/2021 and 1/22/2021 a meeting was conducted on the Alpine RedNMX Software Implementation Project for Lower Allen Fire Company, Lisburn Fire Company, Lower Allen Public Safety, and Lower Allen Fire Codes with the following invited to attend: Public Safety Director Dave

Holl, LAFC Fire Chief Dave Murdoch, LCFC Fire Chief Frank Williamson, LAFC Assistant Chief Chris Trace, Fire Captain Frank Wirth, Fire Inspector Bill Yeagley, and PSO Bryce Landis. Currently projects are addressing issues with the Responder App and NFIRS downloading of data from the County Dispatch Center due to the change in the Computer Aided Dispatch program.

On 1/18/2021 a PSO All-Hands meeting was conducted to discuss the following: Improve Communications, Expectations of PSOs, Fire Chief's Goals for 2021 (Staffing, Apparatus Assignments, and Improve Relationships between Live-Ins, Volunteers, and PSOs), New/Updated Policies (General Duties, Uniform and Appearance, Response, and Inspections), and COVID-19 (Personal Protection, Vaccine, and assisting EMS). Assistant Chief Chris Trace provided training on Alpine Fire Incident Reporting.

On 1/19/2021 Lisburn Community Fire Company hosted a demonstration of the latest Rescue/Pumper from Pierce Fire Apparatus.

On 1/20/2021 in the afternoon Cumberland County 911 experienced an outage of all their emergency and non-emergency telephone communications. This required the staffing of all fire stations or until phone numbers for the fire stations could be forwarded to a central phone number at the township. The problem was resolved the next day in the late afternoon. The cause of the outage was a severed fiber-optic line in the Philadelphia area.

On 1/22/2021 Public Safety Fire Captain opened a new Live-In Marketing website at <http://www.kickstartyourcareer.org/> to attract people to the Live-In program at the Lower Allen Fire Company. This Website was developed with the help of Jeff Fitzgerald of JeffInHighDef.

On 1/28/2021 Prime Safety conducted Annual SCBA Testing on all Drager SCBA at Lower Allen Fire Company.

On 1/30/2021 Lower Allen Fire Company and Lisburn Community Fire Company prepared for the upcoming snowstorm. Lower Allen Fire Company staffed Fire Station #1 in the event of an incident during the storm.

Incidents:

On 1/9/2021 in the afternoon Lower Allen Fire Company was dispatched for automatic aid to 105 East Allen Street in the Borough of Mechanicsburg for a reported fire in a building. Squad 12 responded and assisted with clean-up for a small fire. Minor damage to the structure.

On 1/12/2021 in the morning Lower Allen Fire Company was dispatched for a reported structure fire with entrapment at 230 East Main Street in the Borough of Shiremanstown. Squad 12 arrived to find the occupants out of the structure and heavy smoke from the structure and fire in the attic. Squad 12 crew commenced with a fire attack and successfully controlled the fire. With other Automatic Aid partners, the fire was extinguished and overhauled. Truck 12 assisted with overhaul of the structure from the exterior. Fire was contained to single apartment of building with moderate damage to neighboring apartments.

On 1/12/2021 in the evening Lower Allen Fire Company was dispatched for a reported structure fire at 506 Kevin Court in the Borough of Wormleysburg. Truck 12 responded and assisted with ventilation and overhaul of the structure. The apartment and neighboring apartments sustained heavy damage.

On 1/23/2021 in the evening Lisburn Community Fire Company was dispatched to 450 Ridge Road in Newberry Township, York County for a Mobile Home Fire. Engine 24 was the Rapid Intervention Team for the incident and assisted with Clean-up. The Mobile Home was a total loss.

On 1/27/2021 in the early morning Lower Allen Fire Company and Lisburn Community Fire Company and its automatic aid partners were dispatched for a Structure Fire at 1714 Hummel Avenue in the Township. Upon arrival crews were faced with heavy fire from the front of the structure which quickly spread and involved the entire building. Fire crews attacked the fire with large caliber lines and Master Streams to control the fire and prevent it from extending to other structures. The structure and its contents were a total loss.

On 1/28/2021 in the morning Lower Allen Fire Company was dispatched for a Structure Fire at 315 Market Street in the Borough of Mechanicsburg. Squad 12 assisted with establishing a water supply, controlling utilities, and clean-up. The fire was extinguished with moderate damage to the building.
