During December, the COVID-19 pandemic practices placed in effect through the Public Safety Administrative Order 2021-01 continued in effect with dramatic increases in Cumberland County case reports. All staff were kept up to date with statistics of infection rates and hospitalizations. The Emergency Health Services Council continued with their weekly Wednesday morning COVID briefing via an online presentation. I continued to monitor the PEMA (PA Emergency Management Agency), FEMA, and county EMA releases daily. Staff were advised to continue strict protocols with personal protective equipment and sanitation. To date, public safety has had no work-related COVID infections of staff.

The highlights of December included:

December 1st - Began to complete staff evaluations using the new system designed by the Directors and the Manager.

December 2nd - Attended the Pennsylvania 911 Advisory Board Meeting where I serve the PA Chiefs of Police as their representative. I am in my second term of service following an appointment by Governor Wolf.

December 9th - Attended an online presentation by the PA Chiefs of Police called looking Ahead at Legislative Trends for LE". This was a forward-looking presentation designed to have a perspective of areas that law enforcement organizations may encounter in the new world of higher scrutiny.

December 15th - Attended the online training for the new Edmunds ESS software that will allow electronic time sheet submission and approval. Dianna, Justin Strawser, and I will be submitting time sheets through this application.

December 20th and 23rd - Assisted in conducting PSO (Public Safety Officers) interviews for part-time positions with Donna Paul, Chief Murdoch, and Captain Wirth.

Attended numerous meetings throughout the month including Board of Commissioners, department head, Chiefs of Police, EMS Council, staff meetings, EOC meetings with Planner Strawser, and alarm standards meetings for the AVS-01 TMA ANSI standard development.

Respectfully Submitted,

David L Holl

Director, Department of Public Safety

Throughout the month, Captain Crone attended Command and Staff meetings, Board of Commissioners Meetings, Department Head Meetings, County Chiefs' meetings, Public Safety Captains' meetings, and various personnel-related meetings.

Officers Hughes and Lewis are continuing to do well in the academy. The academy broke for the holidays and will resume in January.

The police department was awarded the grant for the Automated License Plate Reader (ALPR) upgrades. The exact amount will be revealed in January. As to the Body Worn Camera (BWC) grant we are still providing in-kind services in the form of staff hours for implementation, maintenance, and quality assurance to close out the grant soon.

The November Patrol Officer of the month (not available at the time of the last monthly report) was Officer Fitzkee, who was ALSO the December Patrol Officer of the Month.

During the month of November, Officer Fitzkee has been proactive with investigations and on patrol. On 11/10/21 Officer Fitzkee was dispatched information that a wanted person was possibly at the Capital City Mall. Officer Fitzkee communicated with PSP, who had the warrant and eventually located the vehicle at the mall. Officer Fitzkee communicated with other units to surround the suspect's vehicle and eventually detained the occupants when they returned from inside the mall. Subsequently the warrant was served, and the suspect received additional charges after drug paraphernalia was found in a search incident to arrest.

On 11/12/2021 Officer Fitzkee was investigating a retail theft in which he reviewed the LPR for the suspect vehicle. Officer Fitzkee took an extra step and discovered that the same vehicle had gone through the LPR multiple times within the last 30 days. Officer Fitzkee had Walmart loss prevention review these dates as well and discovered that other thefts had occurred. This resulted in additional misdemeanor arrests and restitution will be paid back to the victim that wouldn't have otherwise been aware of this theft.

Throughout the month of November, Officer Fitzkee also went on to make 3 DUI arrests while handling 18 UCR cases, of which 10 have already been closed with charges. He also made 32 traffic stops.

During the month of December Officer Fitzkee has been proactive and aggressive on patrol. In December Officer Fitzkee handled 48 incidents, 9 UCR's and conducted 24 traffic stops. Officer Fitzkee also lead the department in DUIs with 3 arrests.

Officer Fitzkee's skillset was mostly displayed during a burglary investigation on 12/3. A burglary was reported at the Gulf station on Simpson Ferry Rd. The burglary occurred at 0430 and Officer Fitzkee responded to the scene at the start of his shift at 0600. After briefly reviewing a photo of the suspect Officer Fitzkee searched for the suspect. With his police instincts on full display, Officer Fitzkee immediately located the suspect at Sheetz in Hampden Township. Officer Fitzkee communicated well with other Officers over the radio and waited for their arrival before approaching the suspect as to

avoid a potential foot pursuit. Officer Fitzkee's actions resulted in the suspect behind apprehended and stolen property being recovered. An interview of the suspect also led to other open investigations being closed with charges.

NALOXONE

There were no Naloxone administrations by police personnel in Lower Allen Township this month.

MONTHLY TOP 40 INCIDENT COUNT BY TYPE and SELECTED OFFICER LOG FIGURES

The most recent monthly figures are presented first, followed by last year's figures. In lieu of the multi-page listing, the two Top-40 charts were used. This, coupled with the monthly totals in other charts, creates a more succinct picture of police department activity. The Selected Officer Log Figures chart that follows the Incident Count charts are items that consume patrol resources but are not documented in incident reports.

COMMANDER:

Here is a list of activities I attended or performed in addition to my normal responsibilities.

During the month of December 2021, I continue the daily updates/checks on the BWC system as well as the MVR system. I monitored the progress of the video and made a plethora of cases for hearings and trial.

Radio transmitter project was completed. Installation was done by Moyer Communications and the new antenna/transmitter has been determined to be a success. Radio connection has been enhanced for both Police and EMS.

Began preparations for the pending departure of Evidence Technician Ickler for a medical procedure. Ickler trained me on how to enter evidence and how to maintain the evidence room. I also began to collect data for monthly report.

Completed all non-sworn employee evaluations and turned all over to Captain Crone for further review and signatures. Sat and spoke with every Community Service Officer to go over evaluation.

Continued preparation for the new vehicles for 2022 and met with Moyer Communication for an estimate on the new equipment for the new cars. Planning is ongoing and orders will be placed in January 2022.

Majority of the month of December I was on vacation. I did monitor email and other requests during my off time and assisted one Community Service Officer with a lock out of CODY.

Performed the last quarterly inspection of the evidence room and forwarded the results to Captain Crone.

(NOTE: Information from Technician Ickler will be added to the next monthly report for “daily activity” as it was not reported with normal information at this time.)

Continued to monitor the cadets at the academy for needs as expressed or stated.
