

Public Works Operations Report: May 2022

The following chart displays areas of focus and percentages for all work performed during the month:

The following list provides items of mention for the month including tasks completed and underway:

- Several Public Works employees attended the PA One-Call 811 Days conference and training.
- Second quarter staff evaluations were completed.
- Spraying in parks and right-of-way areas, street sweeping, and roadside mowing.
- Repaired road edge on Slate Hill Road and sinkholes at Village of Moreland pond.
- Milling and blacktop in the Cliffs, Cedar Cliff Manor, and Highland Village.
- New blacktop installed this year was sealed.
- Line painting and handicapped markers installed at Bonefish Grill.
- Bush grinding, hauling, and leaf-turning for composting.
- Garden plot signage and layout completed.
- Wood Carpet installed at Pete's Field Park and Highland Park playground.
- Mulch deliveries ongoing on Thursdays and Fridays.
- Street sweeping at Bethany Village completed.
- Continued organizing stormwater pipes and inlet boxes.

Respectfully submitted,

Rebecca Davis
Public Works Director
