Support Services Lieutenant	Pages	9-12
Police Operational Services Lieutenant	Pages	13-16
EMS	Pages	17-29
Fire Captain (Fire/PSOs)	Pages	30-35

During March, the COVID-19 pandemic positive case reports continued to decline. No changes to personal protective device (PPE) requirements changed however and maximum precaution continued to be urged. All staff was kept up to date with statistics on infection rates and hospitalizations. The Emergency Health Services Council continued with their Wednesday morning COVID briefing via an online presentation. The frequency of those briefings however continued to be bi-weekly due to the overall declining case counts. There were however fluctuations in the daily case counts resulting in the decline not being consistent. Captain Deaven and I continued to monitor the PEMA (PA Emergency Management Agency), FEMA, and any county EMA releases daily. Staff continues strict protocols with personal protective equipment and sanitation. To date, public safety has had no work-related COVID infections of staff despite numerous contacts and work-related exposure. This fact clearly illustrates our diligent proactive preventive measures work.

The highlights of March included: March 24th – Drafted an article on the TMA AVS-01 ANSI standard to be public=shed in the spring PA Chief Bulletin distributed to the membership. AVS-01, when adopted, will change how commercial and residential alarm information is provided to 911 Centers throughout the nation.

March 26th (Sat) – Participated in the 2022 Cumberland County Chiefs police officer testing consortium. There were limited applicants this year and we do not anticipate needing to fire any officers in 2022.

March 28th – Jim Adams, the coordinator of the PA Chiefs of Police Accreditation Commission (PLEAC), presented the police department Pennsylvania Law Enforcement Accreditation award at the Board of Commissioners meeting.

March 28th to 31st – Worked daily with Dianna Knisley on finalizing the PCCD Jag grant application for the Crimewatch engineered Law Enforcement Information Exchange Portal (LEIEP) project. The application was then successfully submitted on the 31st with 14 Police Chief letters of endorsement from departments in four countries. A decision will be made on the award by fall 2022.

March 29th to April 2nd - Attended the CALEA training and awards Conference in Orlando Florida in anticipation of receiving the department's 9th CALEA award, the first being in 1995. CALEA Accreditation has been a proud and worthy tradition of the police department that has been the foundation of the agency's professionalism and commitment to community trust.

Throughout the month attended various meetings internally and externally concerning administrative and operational topics for law enforcement, fire, emergency medical services, emergency management, and Township activities.

Respectfully Submitted,

David L. Holl

Director, Department of Public Safety

DEPARTMENT HEAD:

Throughout the month of March, Captain Crone attended Command and Staff meetings, Board of Commissioners Meetings, Department Head Meetings, Public Safety Captains' meetings, a PLEAC Commission meeting, a license plate reader grant meeting, a meeting with mall security, a meeting with Warden Shenk at Cumberland County Prison, and various personnel-related meetings.

Command staff attended the graduation of Officers Lewis and Hughes from the police academy.

Captain Crone was out for a week's vacation this month. He also instructed at the PLEAC conference for two days and was an attendee for one. Captain Crone and Director Holl proctored the written exam for the Cumberland County Police Hiring Consortium. Attendance was underwhelming, as less than 90 applications were received, less than 60 showed up, and less than 40 candidates would be eligible to go on in the process if we were presently hiring. The month ended (and April began) with attendance at the CALEA conference to receive our 9th re-accreditation award from that organization.

The officer of the month for Cpl Read's squad is Ofc Justh. On 3/10, Ofc Justh was dispatched to a burglar alarm at Mallard Run apartments. Officers conducted the usual check of outer doors and found the building to be secure. The alarm, however, was to be coming from the 7th floor. Ofc Justh decided to make an entry and check the interior. She decided to check floor by floor in case the alarm was from a medical pull alarm in one of the apartments. Eventually, she found a room on the 6th floor with a light above the door indicating an alarm pull. She attempted contact at the front door and could hear a yell inside for help. She found that the door was ajar, so she entered the apartment and found a woman lying in the bathroom who needed medical attention. If not for Ofc Justh's thorough check of the building for the source of an alarm (even when the alarm was improperly dispatched, both location and alarm type), the woman would have been waiting for much longer for assistance, possibly to her own physical detriment.

Also, on 3/23, LAPD was dispatched to an overdose at Sheetz. Ofc Justh was the first to arrive on scene. She located the patient's vehicle and found that the car was locked. Utilizing a window punch tool, she broke the window, secured the vehicle keys, and issued Narcan to the patient. Eventually, the patient regained consciousness and was transported to the hospital. If not for Ofc Justh's quick response and quick thinking to get the patient what they needed to survive, the result would have been much different.

NALOXONE

There was one Naloxone administration by police personnel in Lower Allen Township in March.

UCR (Uniform Crime Reporting) Crime Statistics

UCR is unavailable this month.

ARRESTS:

These are the charges for which arrests have been made in the month of March

MONTHLY TOP 40 INCIDENT COUNT BY TYPE and SELECTED OFFICER LOG FIGURES

The most recent monthly figures are presented first, followed by last year's figures. In lieu of the multi-page listing, the two Top-40 charts were used. This, coupled with the monthly totals in other charts, creates a more succinct picture of police department activity. The Selected Officer Log Figures chart that follows the Incident Count charts are items that consume patrol resources but are not documented in incident reports.

Warning/Citation Entries - 224

Case Folders Created – 99

Complaints Reviewed - 483

Arrest Reports Entered/Filed – 66

***Respectfully submitted,
Capt. Leon G. Crone, Jr.
Police Captain***

COMMANDER:

Here is a list of activities I attended or performed in addition to my normal responsibilities.

During the month of March 2022, I continued to work on the fulfillment of the Body-Worn Camera Grant. This included troubleshooting the Body-Worn Camera (BWC) system and the devices assigned to the officers. This included both sending back items for repair and securing a replacement as well as fixing several cameras in-house. The month of March had several cameras in need of replacement and/or repair. Also, for the month I worked on several problems with the Motor Vehicle Recording (MVR) system. These issues were repaired in-house by Technician Ickler and me without further issue.

In early March, Evidence Technician Ickler returned to work from his medical leave. I turned back over the full-time duties of evidence and other related tasks to him at that time. For the first week of March, I did engage in all evidence-related duties and all related responsibilities. During this time, I was requested to join the e-Discovery system by the District Attorney’s office. I began using this system for the delivery of electronic evidence including videos. This system is now being used by several officers to send electronic data to the District Attorney to cut down on the number of discs that are needed.

During the month of March, Command Staff met with the mall managers to discuss the issues that are being experienced at the mall. This included the plethora of fights and other related activities that are being experienced at the mall. This also included the staffing of the mall for the Overtime shifts that are conducted by officers as well as any new ideas or plans to combat the fighting issues. This was done largely in part to prevent the escalation of violence at the mall. Plans discussed with mall management will be implemented as soon as practical for both the mall and police.

Command staff also attended the graduation of two new hires, (Officer Hughes and Officer Lewis). Academy graduation was held at the Dauphin County Technical School. Officers Hughes and Lewis entered the academy in September 2021. They are to start Field Training upon graduation from the academy and will be placed with a Field Training Officer for this purpose.

During March I also attended to several computer-related issues with officers. I contacted 3rd Element Consulting for assistance where necessary and contacted CODY as well as WATCHGUARD.

I attended several meetings during the month of March. I attended the Safety Committee meeting as well as the STOP Grant meeting via ZOOM. There was also a staff meeting at the end of March.

At the end of March, the beginning of April, Director Holl, Captain Crone, and I attended the CALEA conference in Orlando, Florida. Our agency was re-awarded with our CALEA certificate at this conference, and I participated in several classes to help to train me to become the Accreditation Manager. I also learned valuable lessons for Power DMS. Training for this subject was valuable in my transition into the Accreditation Manager for the department.

During March I also worked with Director Holl and Dick’s Sporting Goods to arrange the pickup of a large donation of Sporting Equipment for our Fitness Center. The donation was set up by Director Holl and the staff at Dick’s and was to be given to the public safety center’s fitness equipment room. The donation provided us with new weights, dumbbells, as well racks for storage. They also donated a bench for use in the Public Safety Center. These will be distributed as deemed appropriate by the staff.

Arrest Summaries (Min: Investigator, Accused, Adult/Juv, Location, Crime):

- Detective Corporal Scarlato arrested a 57 YOA male for various sex offenses against an 8-year-old female which occurred in the 900 block of St Johns Road.
- Detective Corporal Scarlato arrested a 21 YOA male for Statutory Sexual Assault and various sex offenses against a 15 YOA female that occurred back in 2020.
- Officer Cramer filed charges on 03-22-2022 against two Argentinian Nationals who have committed credit card fraud through the United States. Efforts were made to serve the warrants in St, Louis, however, the two suspects are still outstanding.
- Officer Cramer arrested a 51 YOA male for a Drug Delivery Resulting in Death stemming from a death that occurred in the 5200 block of Cobblestone Court in December 2021

Significant ON-GOING Investigations

OFFENSE	NUMBER OF CASES	OFFENSE	NUMBER OF CASES
Homicide	1	Overdose Deaths	4
Burglary	10	Thefts	3
Sex Offenses	1	Fraud	5
Robberies	1	Childlines	7
Agg. Assault	1		

Other Significant Activity:

- On 03/23/2022 – Detective Coffey, Officer Cramer and Detective Corporal Scarlato assisted Officer Fitzkee with an execution of a search warrant on a vehicle in the LATPD Impound Garage for case LA-22-01334. Crack Cocaine was recovered.
- Throughout the month of March, Detective Corporal Scarlato has participated in a collaboration with Director Holl and Diana Knisley for the drafting of a PCCD grant
- Detective McNair completed a Community Notification due to an individual labeled as a Sexually Violent Predator moving into Drexel Place.

Training:

- The week of 03/14/2022, Detective Coffey attended a week-long training course hosted by Cellebrite hosted in Derry Township which will allow Detective Coffey the ability to download and forensically examine electronic data from cellular phones

Photo Downloads: 21**CSO PROGRAM**

The Community Service Officers covered a total of 336.75 hours on the street, on details, as well as at the Church.

They covered traffic details for Christian Life Assembly for their Christmas program as well as for normal Sundays.

There were no special duties or details for the month of January.

In March LATEMS personnel provided **2,250.00 hours of readiness and service** to the citizens of Lower Allen Township. LATEMS staff participated in training with the Public Safety Officers when call volume allowed on topics related to property maintenance, rope rescue, stokes basket operations, and rapid intervention team operations.

Planning and set-up continued in preparation for limited operations to begin at the Rupp Avenue station. 3rd element is working on the IT requirements. A meeting was held with Cumberland County Communications to determine the EMS system impacts, the required adjustments to the unit listings on the box cards, and unit naming conventions for the 2233 Gettysburg Road and 800 Rupp Avenue. Chief Murdoch, Captain Wirth, and Captain Deaven meet at the Rupp Avenue station to coordinate the future deployment of limited daylight staffing in the future. Development of these areas will be moved forward in April.

The quality assurance process is constantly reviewed to determine the efficiency and accuracy of reporting. The 2021 reporting data was completed, and a review of the process based on requests for additional information or corrections demonstrated a 98.6% accuracy rate.

Captain Deaven provided community outreach to the residents of the woods on Friday, March 4, 2022, providing an overview of the services provided by EMS and a fall prevention program. The fall prevention program focused on tips to reduce falls and assess the risk of falling.

Captain Deaven is submitting data for the “EMS Quality Improvement Partnership: Reducing Lights-and-Siren Use in EMS”. This national initiative is aimed at improving the safety of the public and EMS personnel. LATEMS will provide data from September 1, 2021, to the present. The data indicates the current standard of classifying request services is over triaging calls based on outcomes.

Captain Deaven is part of a Cumberland County EMS council committee working with Cumberland County communications on the EMS alternate response dispatch protocol. The protocol has had very limited effect on Lower Allen Township citizens or the Public Safety Department.

Lower Allen Township EMS actively participates in state and regional EMS initiatives developing relationships and fostering partnerships to ensure the highest quality of pre-hospital care to the citizens of Lower Allen Township which demonstrates the excellent value of EMS to the citizens of Lower Allen Township. Captain Deaven actively participated in the Emergency Health Services Federation (EHSF), PA Bureau of EMS, Pennsylvania Emergency Health Services Council, Ambulance Association of Pennsylvania and Pennsylvania Fire and Emergency Services Institute, and 911 commission meetings and education to ensure the continued development of the EMS system in Lower Allen Township. Captain Deaven provided testimony to the House Veterans affairs and emergency preparedness committee on the EMS crisis in Pennsylvania on behalf of the Pennsylvania Fire and Emergency Services Institute.

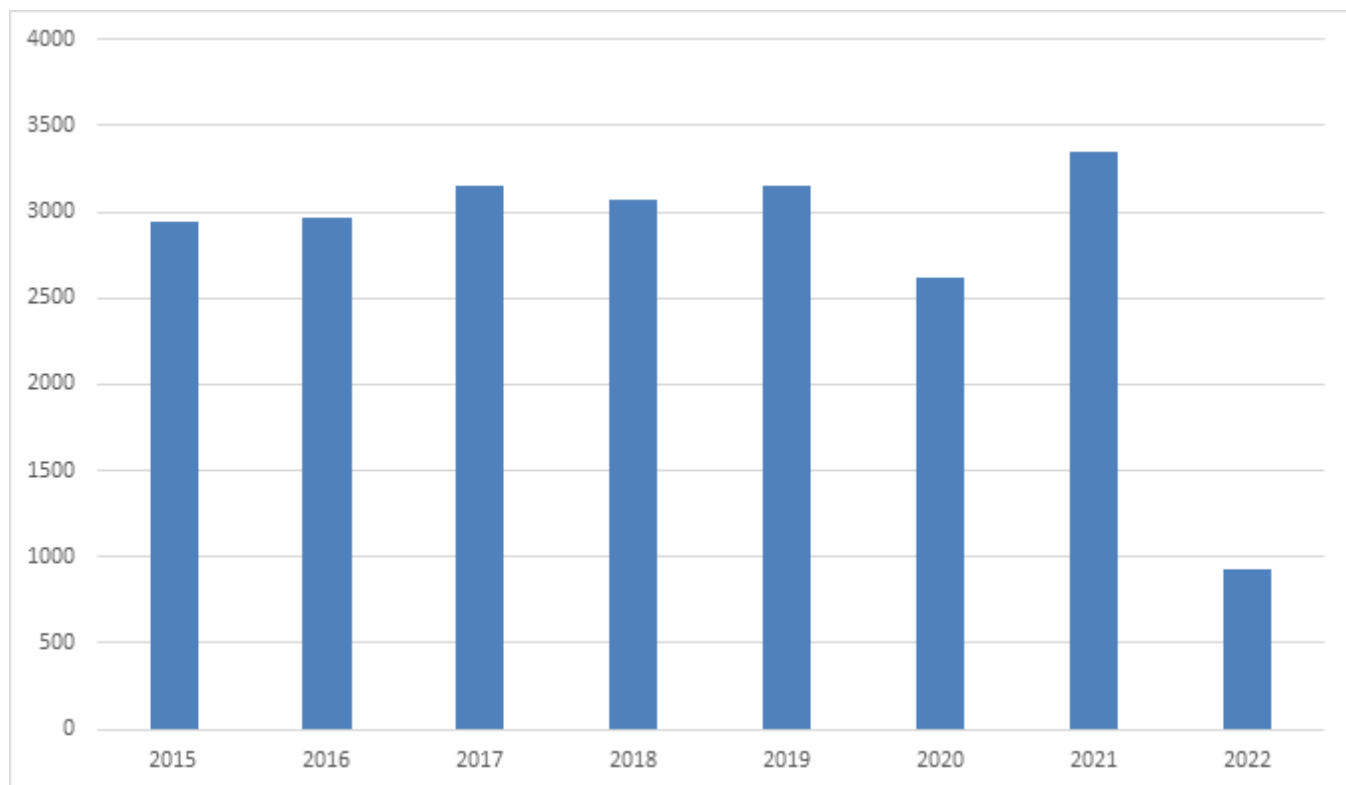

LATEMS continues to deliver high-quality, effective, efficient, and safe patient care directly to the side of every patient in need of help providing value for the citizens of Lower Allen Township. In November LATEMS touched the lives of **313 citizens.**

Clinical proficiency data

National EMS Quality Measure 2.0 initiatives and National Highway Traffic Safety Administration quality measures These are national standards established to ensure quality clinical care across the nation's EMS systems. Participation is voluntary and demonstrates EMS agencies' commitment to excellence and ensuring EMS clinical care offers value to patients.

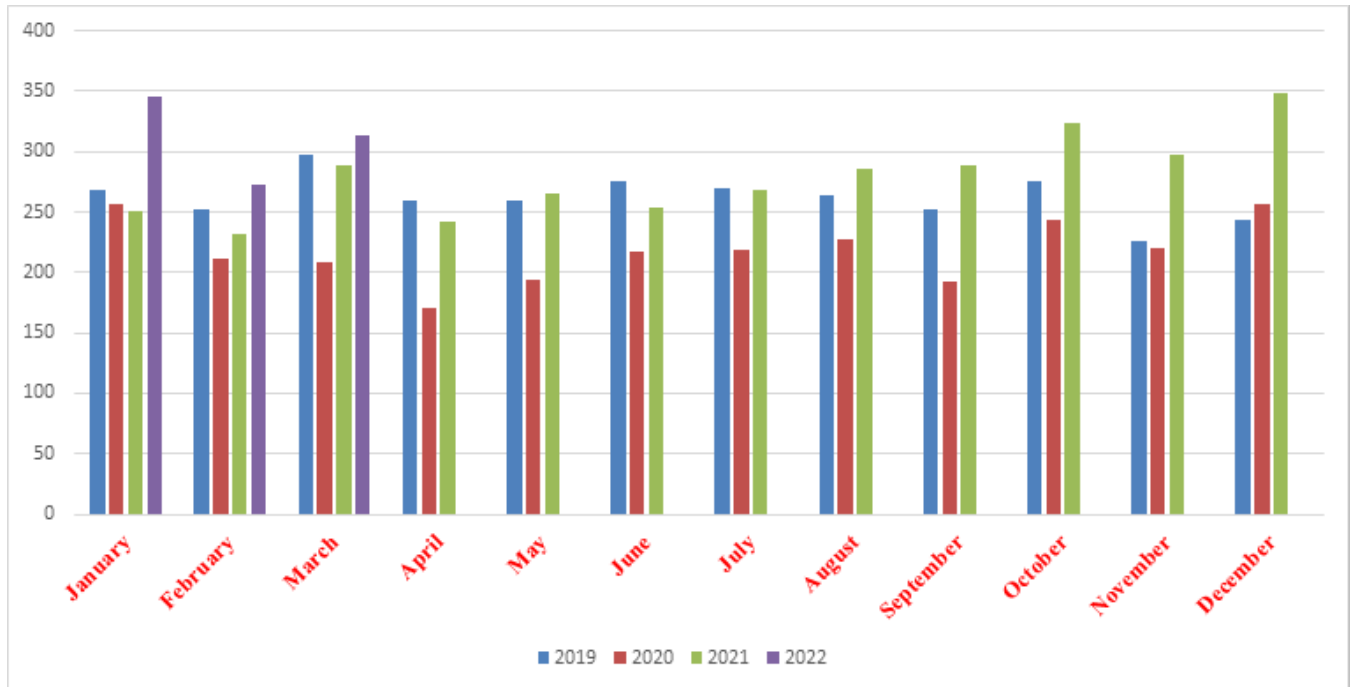

- Patients with Chest Pain receive a 12-lead EKG YTD 100%
- Patient contact to completion of initial 12-lead EKG YTD (National Standard is 10 minutes) 7:38 minutes
- Aspirin administration for patients with a complaint of chest pain YTD 100%
- Suspected Stroke patients with a completed and documented stroke assessment 100%
- Hypoglycemia-Treatment administered and documented for Hypoglycemia YTD 100%
- Pediatrics-Pediatric Respiratory assessment YTD 100%
- Pediatrics-Documentation of Estimated Weight in Kilograms YTD 100%
- Trauma patients—Transported to destination type. YTD 100%
- Use of Lights and Sirens during the response to the scene 64%
- Use of Lights and Sirens during transport 2%

Hi Jody,

3-18-22

I wanted to take a moment to reach out to you on behalf of the Harrisburg ED. Pediatric codes are so incredibly difficult, but the staff @ HHGED recognized you and your coworkers for doing an amazing job in caring for that little boy. While it does not make that day any easier, I just wanted to make sure that you knew how great you did as a provider. We appreciate you!

Thank you! Stefanie Miller HHED Unit Director

Hi Jacob,

3-18-22

I wanted to reach out to you on behalf of the Harrisburg ED. I know the pediatric cardiac arrest case recently was very difficult, as they always are. HHED staff relayed to me that all in all everything from transition of care from EMS, through to the end of the code went very well, & this had a lot to do with your exceptional care.

Thank you for all you do!

Stef Miller HHED Unit Director

Hi Anthony, 3-18-22
I wanted to take a moment to reach out to you on behalf of the Harrisburg ED in regard to the recent peds code. While these are always so hard, staff relayed how smoothly everything went, & this was in part to the care you provide.
Thank you for your hard work.
We appreciate all you do!
Stefanie Miller HbgED unit director

Tony Deaven

From: Byerly, Travis <byerlyt@upmc.edu>

Subject: Praise for your team

You guys brought a pediatric cardiac arrest to Harrisburg Hospital on Wednesday morning and Steff Miller the Nursing director received significant positive feedback about your crew's care, and communication through the transfer of care. She would like to send a good job message direct to your staff and would like to acknowledge their hard work.

If you could provide them names of the crew on that call so I can provide them to her and I will provide your station address to her as well.

Great work on a bad situation.

Travis

(Automatic/Mutual Aid outside of Township from Total – 10)

(All incidents are categorized using National Fire Protection Association and National Fire Incident Reporting System Coding)

Fire Company Training:

Lower Allen Fire Company

- On 3/2/2022 Lower Allen Fire Company conducted training on “The Left Front Seat” – Driver/Operator Responsibilities. PSO Bryce Landis conducted the training.
- On 3/16/2022 Lower Allen Fire Company conducted training on SCBA maze simulator and probationary training for new members.
- On 3/23/2022 Lower Allen Fire Company conducted training on Rapid Intervention Team Operations. PSO Toot conducted the training.

(The Officers of the Lower Allen Fire Company have opened their training program to neighboring fire departments. Shiremanstown Fire Company has taken advantage of this opportunity and has been consistently attending training sessions.)

Lisburn Community Fire Company

- On 3/8/2022 Lisburn Community Fire Company conducted training on Ropes and Rigging.
- On 3/15/2022 Lisburn Community Fire Company conducted training on Forcible Entry using the Blue Door simulator at Fire Station #2.
- On 3/22/2022 Lisburn Community Fire Company conducted training on Wildland Firefighting Operations. Tim Yingst, the local Forest Fire Warden conducted the training.

Events/Activities:

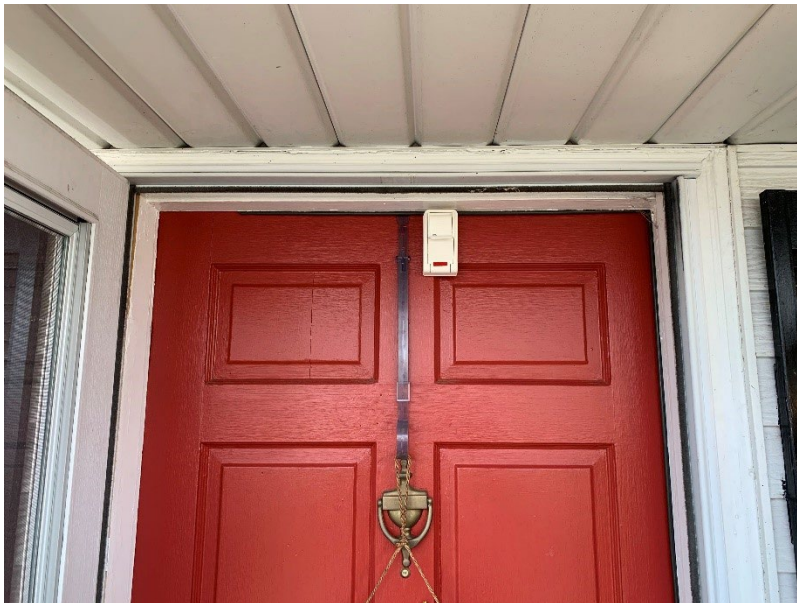

On 3/8/2022 Public Safety Fire Captain Frank Wirth participated in a Zoom meeting on marketing initiatives for the CapCOG SAFER Grant for Firefighter Recruitment and Retention.

On 3/11/2022 and 3/25/2022 virtual meetings were conducted by the Lower Allen Fire Company Recruitment Working Group with the following invited to attend: Public Safety Director Dave Holl, LAFC Fire Chief Dave Murdoch, LAFC Recording Secretary Katrina Homovich, Public Safety Fire Captain Frank Wirth, and Jeff Fitzgerald with Fire Media Strategic Marketing. Discussions pertained to developing and implementing recruitment initiatives.

On 3/12/2022 Lower Allen Fire Company held its Annual Appreciation Banquet at the Susquehanna Club.

On 3/13/2022 the Lisburn Community Fire Company held a Turkey Dinner fundraiser. It was well attended and a success.

On 3/14/2022 Public Safety Fire Captain Frank Wirth and Live-In Firefighter Tyler Rotelle met with Career Counsellor Mark Miller at Cedar Cliff High School to discuss Live-In recruitment initiatives in April and May.

On 3/14/2022 Codes Coordinator/Fire Inspector Bill Yeagley installed the first Residential Knox Box in the Township. The Knox Box provides a secure means of storing a key for access to a residence and eliminates the damage caused by conducting forcible entry into a residence during an emergency. We hope to expand this program by targeting our senior citizens and residents with medical issues.

On 3/16/2022 Public Safety Director Dave Holl, Public Safety Fire Captain Frank Wirth, and EMS Captain Tony Deaven met with Dale Hair and several representatives from KD3 Design Studios, Inc. of Lemoyne for a tour of the Rupp Avenue Fire Station to assess the current structure for possible future upgrades to the facility.

On 3/16/2022 Engine 1-12 (2006 Pierce) was sold to the West Shore Bureau of Fire.

On 3/18/2022 a virtual meeting was conducted on the Alpine RedNMX Software Implementation Project for Lower Allen Fire Company, Lisburn Fire Company, Lower Allen Public Safety, and Lower Allen Fire Codes with the following invited to attend: Public Safety Director Dave Holl, LAFC Fire Chief Dave Murdoch, LAFC Chris Trace, Fire Captain Frank Wirth, Fire Inspector Bill Yeagley, and LCFC Deputy Chief Bryce Landis. Discussions pertaining to maintaining and updating the Alpine System for optimum performance and record keeping.

On 3/23/2022 Public Safety Fire Captain Frank Wirth attended the quarterly meeting of the South-Central Task Force Incident Management Team. The meeting focused on future training initiatives and disaster responses.

On 3/23/2022 and 3/24/2022 Lower Allen Fire Company had their fire hose tested by WaterWays, Inc.

On 3/30/2022 Lower Allen Township hosted an After-Action Review (AAR) of the Route 581 multi-vehicle accident that occurred on 3/12/2022. The AAR was moderated by Michele Parsons from Cumberland County Emergency Management. Most of the agencies that responded to the incident were represented at the AAR. Strengths and Weaknesses of the incident were discussed which were documented and will be written into a final report.

On 3/31/2022 Lisburn Community Fire Company had their fire hose tested by WaterWays, Inc.

The new Pierce Fire Engine was picked up from Glick Fire Apparatus in Lancaster, PA. The new Engine had portable equipment installed. Factory training is scheduled for April 12-14, 2022.

Public Safety Officers/Fire Captain/Fire Inspector:

Fire Department Responses:

Fire Captain - 20

Codes Coordinator/Fire Inspector - 21

Public Safety Officers – 87

Statistics:

Assist to Police Department – 0

Assist to Emergency Medical Services – 1

Child Safety Seat – 1

Fire Prevention Activities – 0

Fire Inspections – 58

Fire Permits Issued – 113

New Property Maintenance Cases - 3

Property Maintenance Inspections – 3

Property Maintenance Citations Issued – 0

Daylight Training Sessions:

- On 3/1/2022 and 3/3/2022 Daylight training was conducted on “The Left Front Seat” – Driver/Operator Responsibilities.
- On 3/8/2022 and 3/10/2022 Daylight training was conducted on Ropes and Rigging with the stokes basket.
- On 3/15/2022 and 3/17/2022 Daylight training was conducted on Firefighter Self Rescue during emergencies.
- On 3/22/2022 Daylight training was conducted on Rapid Intervention Team Operations.
- On 3/24/2022 Daylight training was conducted on Driver/Operator familiarization on Truck 12.
- On 3/29/2022 Daylight training was conducted on the International Property Maintenance Code. Codes Coordinator/Fire Inspector Bill Yeagley conducted the training.

Other Training and Events:

- On 3/17/2022 Public Safety Fire Captain Frank Wirth participated in a webinar on Engineered Wooden I-Joists and Firefighter Safety.
- On 3/23/2022 Public Safety Fire Captain Frank Wirth attended the South-Central Task Force Homeland Security Conference at Central Penn College. A presentation on evolving threats and the state of the Task Force were conducted.
- On 3/23/2022 Public Safety Fire Captain Frank Wirth attended a training session on Lithium Battery Emergencies. The training was held at the Dauphin County EOC.
- On 3/31/2022 Public Safety Fire Captain Frank Wirth participated in a webinar on Fire Doors and Protective Assemblies.

Emergency Response Incidents:

On 3/4/2022 in the evening, Lisburn Community Fire Company responded to an Auto Accident with entrapment on 883 Siddonsburg Road in Fairview Township, York County. Engine 24 assisted with extrication and patient packaging.

On 3/10/2022 in the afternoon Lower Allen Fire Company, Lisburn Community Fire Company, and its automatic aid partners responded to an odor of something burning at 3113 Stahl Lane in the Arcona development. Engine 3-12 crew arrived on the scene to find a hot spot in the ceiling between the first and second floors. The crew proceeded to open the walls and found a small gas-fed fire and gas leaking throughout the apartment building. The fire was extinguished and the building ventilated. The fire was a result of improper wiring that caused an electrical short which melted a gas line. There was minor damage to the building.

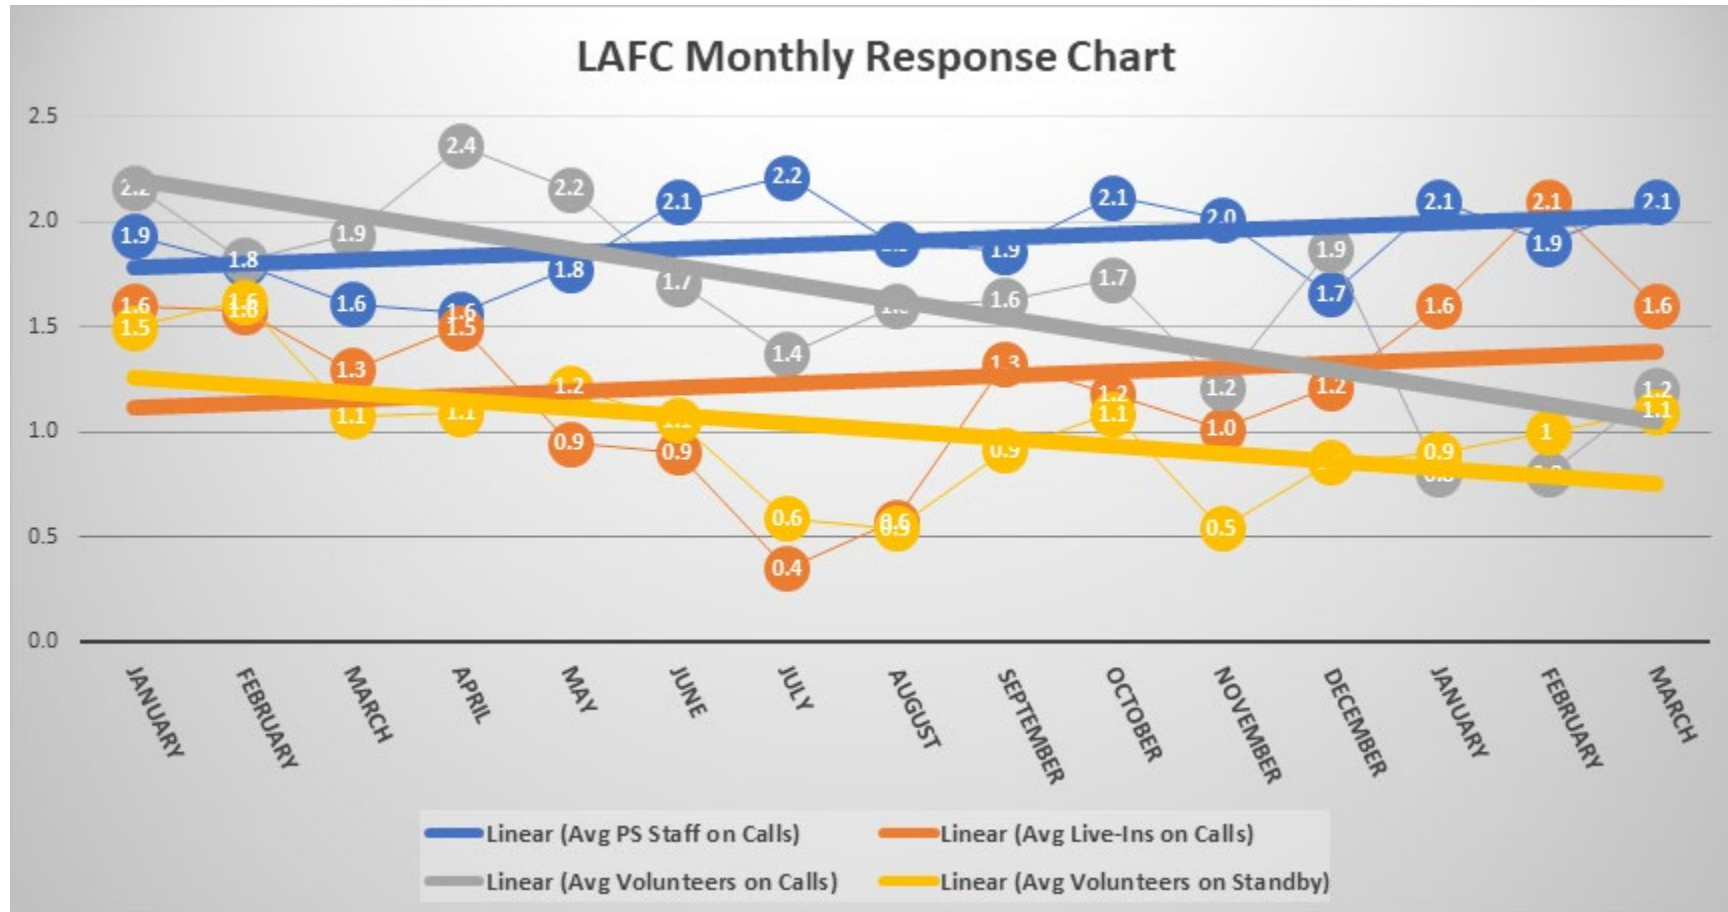

On 3/12/2022 in the afternoon Lower Allen Fire Company and its automatic aid partners responded to a multi-vehicle accident on Route 581 eastbound. The incident involved 73 vehicles and required the shutting down of all lanes of traffic. There were 10 patients with minor injuries. The roadway was opened back up in approximately 4 hours.

On 3/12/2022 in the evening, Lower Allen Fire Company responded to a building fire at 906 Hummel Ave. in the Borough of Lemoyne. Truck 12 responded. The building sustained heavy fire damage.

Live-In Firefighter Activities:

- Firefighter Brian Ariano responded to 25 incidents (43%) this month.
- Firefighter Tyler Rotelle responded to 29 incidents (50%) this month.
- Firefighter Brian Petkash responded to 14 incidents (24%) this month.
- Firefighter Brian Petkash has left as a live-in at Lower Allen Fire Company. He enlisted in the PA Army National Guard and will be leaving for Boot Camp in early April.
- Firefighter Patrick Reidy responded to 24 incidents (41%) this month.

Lower Allen Fire Company Response Chart:

The above chart displays the average number of responders for the four categories displayed: Public Safety (PS) Staff (Full-Time PSOs, Part-Time PSOs, Fire Captain, and Fire Inspector); Live-Ins including work and college live-ins at both fire stations; Volunteers on calls are those that respond on fire apparatus; Volunteers on Standby are those that standby on station during the incident). This chart will be updated monthly.
