Police Operational Services Lieutenant	Pages	10-14
EMS	Pages	15-25
Fire Captain (Fire/PSOs)	Pages	26-30

During July, the COVID-19 pandemic continued. The acuity impact stabilized to the point that we are seeing reports of infected staff member, non-job related, but the severity has continued to be reduced. In general, positive cases were less impactful and persons infected were less sick in general. No changes to personal protective device (PPE) requirements changed however and maximum precaution continued to be urged. All staff was kept up to date with statistics on infection rates and hospitalizations. The Emergency Health Services Council continued with their COVID briefings via an online presentation that remained at every two weeks instead of weekly due to the case declines. There continued to be fluctuations in the daily case counts resulting in the rates not being consistent.

Captain Deaven and I continued to monitor the PEMA (PA Emergency Management Agency), FEMA, EHSF, and any county EMA releases daily. Staff continues strict protocols with personal protective equipment and sanitation. To date, public safety has had no work-related COVID infections of staff despite numerous contacts and work-related exposure. This fact clearly illustrates our ongoing diligent proactive preventive measures work and the professionalism of the staff.

The highlights of July included:

July 5th – Drafted on strategic planning document for long term organization options.

July 7th – Began drafting revisions to the Township Addressing Ordinance. All counties across the Commonwealth are moving toward GIS addressing for 911 call routing in compliance with the NENA Next Generation 911 standard. The Township addressing will need to be compliant with this standard and the ordinance is being reviewed for compliance and possible changes.

July 13th – Conducted police officer candidate interviews for the possibility of establishing a new civil service list. Candidates passing the interview will have background checks completed. A list will then be presented to the Civil Service Commission for approval.

July 21st – Began drafting the School Resource Officer Memorandum of Understanding. We will circulate internally for comment and then submit to the School District for review. The SRO MOU will need to be approved by the Commissioners as well as the School Board before becoming effective. SRO may only become a reality for start of school 2023-2024 year if funding cost share is approved.

July 27th – Attended an IPAWS Webinar to consider compatibility with the LA Alert REGROUP community notification software. IPAWS would allow public safety to make cell phone emergency notification to a defined geo-fenced area. Registration to LA Alerts would not be required for IPAWS. Throughout the month I attended various meetings internally and externally concerning administrative and operational topics for law enforcement, fire, emergency medical services, emergency management, and Township activities.

Respectfully Submitted,

David L. Holl

Director, Department of Public Safety

POLICE - JULY 2022

LOWER ALLEN TOWNSHIP

Captain Leon Crone

Department of Public Safety

July's report will be submitted with August's report.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Leon G. Crone, Jr.", written in a cursive style.

**Capt. Leon G. Crone, Jr.
Police Captain**

For the month of July 2022, the following is a list of the tasks I performed in July 2022. I continued my work with the BWC project in July 2022. This included multiple requests for video for court, video for the District Attorney’s office, as well as for officers for preliminary hearings. This included work to make cases, export cases, and preserve video for posterity.

As part of this, I also fixed various issues with the system and with the BWC. As of late, we are having an influx of battery related issues with the BWC. The battery will swell to a size that makes the attachment on the carrier impossible. To date, we have replaced about 10 batteries.

As part of my daily activities, I review and monitor the various computer systems, (LPR, MVR/BWC,) etc. to ensure that the technology continues to work properly. I can fix certain issues with equipment and/or programs and contact support to remedy the rest. Several issues were resolved or referred for the month of July 2022.

I worked with Technician Ickler to harvest and collect the items from Car 7 which was involved in a motor vehicle accident when a driver pulled out in front of the operator of Car 7. These items were collected, secured, and re-appropriated when necessary.

I met with Technician Ickler and the owner/operator of Tactical Wear LLC. This meeting was to provide alternate sources of equipment and/or uniform purchases for the department. Meeting was successful.

Meetings and planning for National Night Out were attended and I did arrange a contingency of Community Service Officers, (CSO’s) who indicated they were interested in participating. CSO’s were scheduled and assigned as needed.

Meetings and planning for the pending Lisburn Festival were also completed during the month. Outreach to the contingency of Community Service Officers and planning for the event/scheduling was completed.

I attended and completed Defensive Tactics Training on 29 July 2022. This was scheduled for earlier that month but had to be continued due to medical emergencies in the agency.

I attended several meetings and other events as part of my regular shift. I covered the County Chief’s meeting for Captain Crone. I attended various meetings to include meetings in reference to the fitness room and the new equipment received. There was also a safety committee meeting during the month.

July 2022, Lt. Foltz and I participated in an interview of a potential Community Service officer applicant. We were able to complete the interview and provided the young lady with her background packet for completion. She has yet to complete her background packet and turn it back in.

During the month of July, I assisted Evidence Technician Ickler with working to get his new printer online. This was a process that continued into August.

Evidence Custodian:

07/03/22	Rx Drop Box Emptied
07/08/22	Delivered Evidence to PSP Lab LA-22-03276
07/08/22	Delivered Evidence to PSP Lab LA-22-03033
07/11/22	Rx Drop Box Emptied

In July LATEMS personnel provided **2,363 hours of readiness and service** to the citizens of Lower Allen Township. LATEMS staff participated in training with the Public Safety Officers when call volume allowed.

In July, several staff members completed Pediatric Education for the Prehospital Provider (PEPP) course. The course is a national course provided by the American Academy of Pediatrics. The course is a two (2) year certification and provides state and national con-ed.

- PEPP represents a complete source of prehospital medical information for the emergency care of infants and children. Developed by the American Academy of Pediatrics, PEPP is an exciting curriculum designed to teach prehospital professionals how to better assess and manage ill or injured children.
- PEPP is a comprehensive, innovative, and highly visual course featuring case-based lectures, live-action video, hands-on skills stations, and small group scenarios.

In July outreach for the 4-minute city project began with businesses in Lower Allen Township. Presentations were made to H & H sales, Consolidated properties and Straub and Associates Real estate. Positive feedback was received and there is strong interest. Meetings with business will continue in August, September, and October.

On Friday July 29, 2022, EMS along with Fire and Police provided public education for a summer camp held by the Eberly's Mill Church of God.

LATEMS continues its participation in the national "EMS Quality Improvement Partnership: Reducing Lights-and-Siren Use in EMS" by assessing EMS providers beliefs on the value of lights and sirens and impacts on clinical outcomes.

Captain Deaven was invited and participated in a meeting as a member of the Pennsylvania Fire and Emergency Services Institute held by Senator Baker and Representative Pickett on the EMS crisis in Pennsylvania. The meeting was held in Susquehanna County an area where the EMS system is actively failing.

Lower Allen Township EMS actively participates in state and regional EMS initiatives developing relationships and fostering partnerships to ensure the highest quality of pre-hospital care to the citizens of Lower Allen Township which demonstrates the excellent value of EMS to the citizens of Lower Allen Township. Captain Deaven actively participated in the Emergency Health Services Federation (EHSF), PA Bureau of EMS, Pennsylvania Emergency Health Services Council, Ambulance Association of Pennsylvania and Pennsylvania Fire and Emergency Services Institute and 911 commission meetings and education to ensure the continued development of the EMS system in Lower Allen Township.

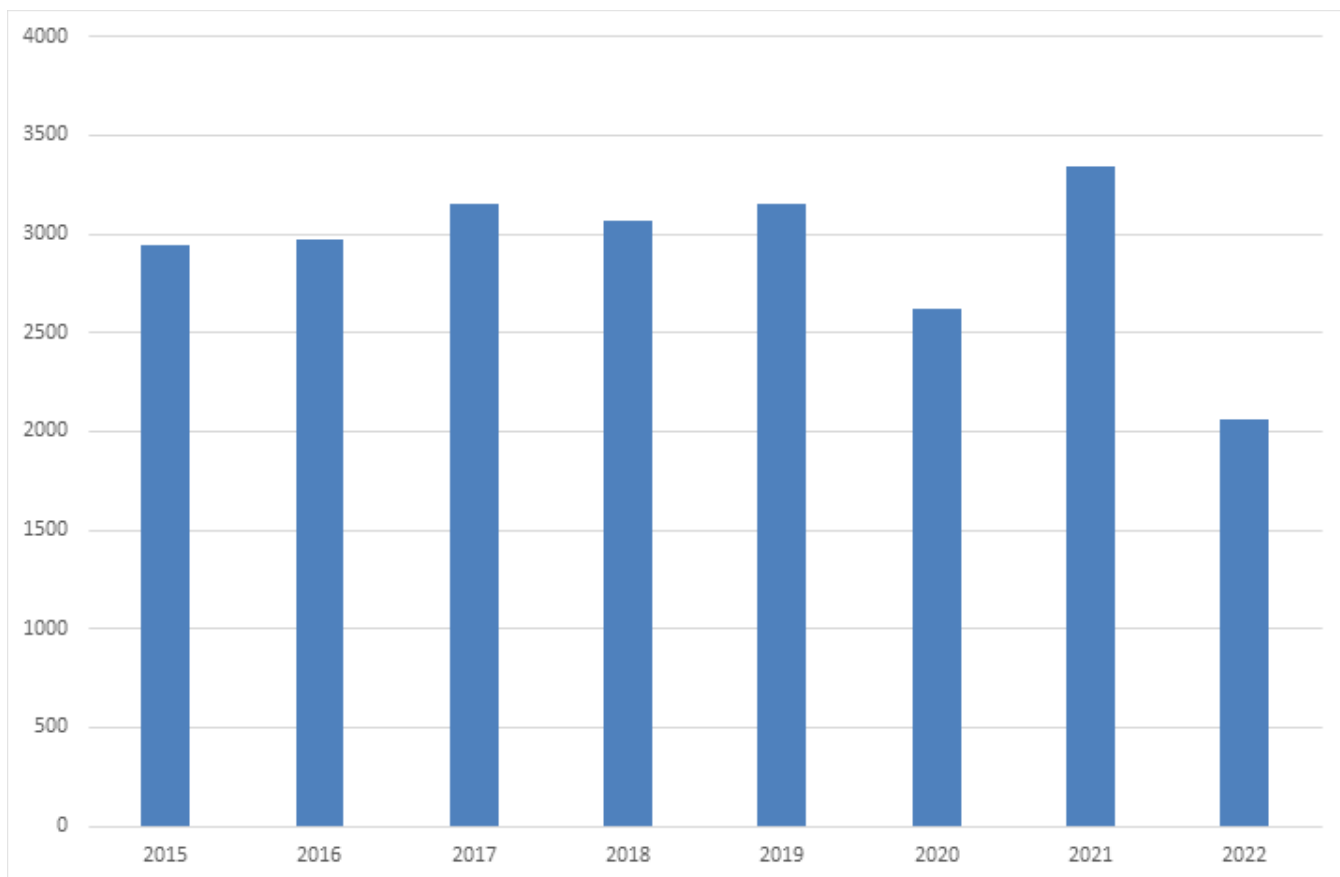

LATEMS continues to deliver high quality, effective, efficient, and safe patient care directly to the side of every patient in need of help providing value for the citizens of Lower Allen Township. In May LATEMS touched the lives of 281 citizens.

Clinical proficiency data

National EMS Quality Measure 2.0 initiatives and National Highway Traffic Safety Administration quality measures These are national standards established to ensure the quality clinical care across the nations EMS systems. Participation is voluntary and demonstrates EMS agencies' commitment to excellence and ensuring EMS clinical care has value to patients.

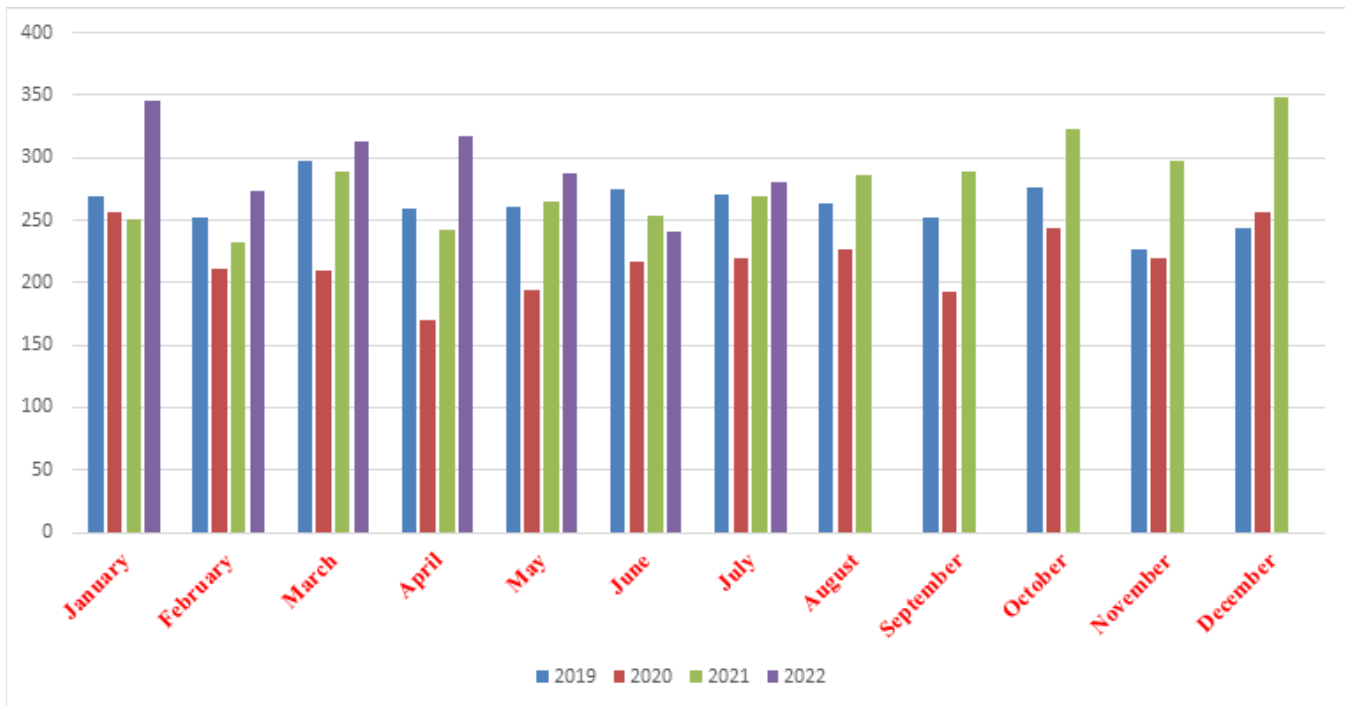

- Patients with Chest Pain receive a 12-lead EKG YTD 100%
- Patient contact to completion of initial 12-lead EKG YTD (National Standard is 10 minutes) 07:48 minutes
- Aspirin administration for patients with a complaint of chest pain YTD 100%
- Suspected Stroke patients with a completed and documented stroke assessment 100%
- Hypoglycemia-Treatment administered and documented for Hypoglycemia YTD 100%
- Pediatrics-Pediatric Respiratory assessment YTD 100%
- Pediatrics-Documentation of Estimated Weight in Kilograms YTD 100%
- Trauma patients—Transported to destination type. YTD 100%
- Use of Lights and Sirens during response to the scene 66%
- Use of Lights and Sirens during transport 3%

Severe Weather/Natural Disaster - 0
Total – 60
(Automatic/Mutual Aid outside of Township from Total – 29)

Lisburn Community Fire Company

Fire Incidents – 2
Overpressure/Explosion/Overheat – 1
Rescue and Emergency Medical Services (EMS/Vehicle Accidents) – 0
Hazardous Condition w/No Fire (Gas Leak/Spills/CO/Wires Down) – 0
Service Calls (Water Leaks/Smoke Removal/Transfer) – 1
Good Intent Calls (Cancelled response/Smoke scare) – 11
Fall Alarm/Calls – 4
Severe Weather/Natural Disaster - 0
Total – 19
(Automatic/Mutual Aid outside of Township from Total – 15)

(All incidents are categorized using National Fire Protection Association and National Fire Incident Reporting System Coding)

Fire Company Training:

Lower Allen Fire Company

- On 7/6/2022 Lower Allen Fire Company conducted training on ground ladder practices.
- On 7/20/2022 Lower Allen Fire Company conducted training on Ropes, Knots, and Rigging. PSO Justin Lenker conducted the training.
- On 7/27/2022 Lower Allen Fire Company conducted training on High Rise and Standpipe Operations. PSO Tom Kidd conducted the training.

(The Officers of the Lower Allen Fire Company have opened their training program to neighboring fire departments. Shiremanstown Fire Company has taken advantage of this opportunity and has been consistently attending training sessions.)

Lisburn Community Fire Company

- On 7/12/2022 Lisburn Community Fire Company conducted training on Water Rescue Awareness. PSO Justin Lenker conducted the training.
- On 7/19/2022 Lisburn Community Fire Company conducted training on ground ladder practices.

- On 7/26/2021 Lisburn Community Fire Company conducted training on vehicle extrication using the new electric combination spreaders/cutter tool they recently purchased.

Events/Activities:

On 7/5/2022 Squad 12 was out of service for approximately 3 weeks for warranty work at Glick Fire Apparatus.

On 7/1/2022, 7/15/2022, and 7/29/2022 virtual meetings were conducted by the Lower Allen Fire Company Recruitment Working Group with the following invited to attend: Public Safety Director Dave Holl, LAFC Fire Chief Dave Murdoch, LAFC Recording Secretary Katrina Homovich, Lower Allen Fire Company Live-In Tyler Rotelle, and Jeff Fitzgerald with Fire Media Strategic Marketing. Discussions pertained to developing and implementing recruitment initiatives.

On 7/8/2022 and 7/22/2022 virtual meetings were conducted on the Alpine RedNMX Software Implementation Project for Lower Allen Fire Company, Lisburn Fire Company, Lower Allen Public Safety, and Lower Allen Fire Codes with the following invited to attend: Public Safety Director Dave Holl, LAFC Fire Chief Dave Murdoch, LAFC Chris Trace, Fire Captain Frank Wirth, Fire Inspector Bill Yeagley, and LCFC Deputy Chief Bryce Landis. Discussions pertain to maintaining and updating the Alpine System for optimum performance and record keeping.

Public Safety Officers/Fire Captain/Fire Inspector:

Fire Department Responses:

Fire Captain - 22

Codes Coordinator/Fire Inspector - 15

Public Safety Officers – 95

Statistics:

Assist to Police Department – 0

Assist to Emergency Medical Services – 2

Child Safety Seat – 2

Fire Prevention Activities – 1

Fire Inspections – 19

Fire Permits Issued – 32

New Property Maintenance Cases - 6

Property Maintenance Inspections – 9

Property Maintenance Citations Issued – 0

Daylight Training Sessions:

- On 7/5/2022 Daylight training was conducted on Standpipe Operations in the stairwell of the Municipal Services Center.
- On 7/12/2022 and 7/19/2022 Daylight training was conducted on Hose Loads, Rolls, Finishes, and Deployment. Lower Allen EMS participated in this training.
- On 7/21/2022 Daylight training was conducted on foam operations using the Foam Pro pack.
- On 7/28/2022 Daylight training was conducted on conducting fire inspections.

Other Training and Events:

- On 7/29/2022 Public Safety personnel conducted a fire prevention and fire truck display at Eberly Mills Church of God.

Emergency Response Incidents:

On 7/1/2022 in the evening Lower Allen Fire Company, Lisburn Fire Company, and Cumberland County Hazardous Materials Response Team were dispatched for a reported hazardous materials incident involving Carbon Dioxide leaking from a tank at 2700 Yetter Court (Cargill) in the Township. Personnel were removed from the area and the leak was monitored until all 117,000 pounds of the product was released. The leak was the result of a failed filling valve.

On 7/11/2022 in the morning Lower Allen Fire Company, Lisburn Fire Company, and automatic aid partners responded to a reported structure fire at 102 Wesley Drive in the Township. A hole was

burned into the floor from oils-soaked rags spontaneously combusting. Only minor damage to the structure.

On 7/11/2022 in the afternoon Lower Allen Fire Company, Lisburn Fire Company, Lower Allen EMS, and automatic aid partners responded to a report of trees on fire behind 3604 Hartzdale Drive in the Township. Additional resources were needed to extinguish the fire due to proximity to the structure, railroad tracks, and the magnitude of fire. Lower Allen EMS personnel assisted with fire attack. Railroad traffic was disrupted, but no damage to any structures.

On 7/18/2022 in the early morning Lower Allen Fire Company was dispatched to assist with a vehicle accident with entrapment at 217 South Lewisberry Road in Monaghan Township, York County. Rescue 12 responded and assisted with the extrication of the patient.

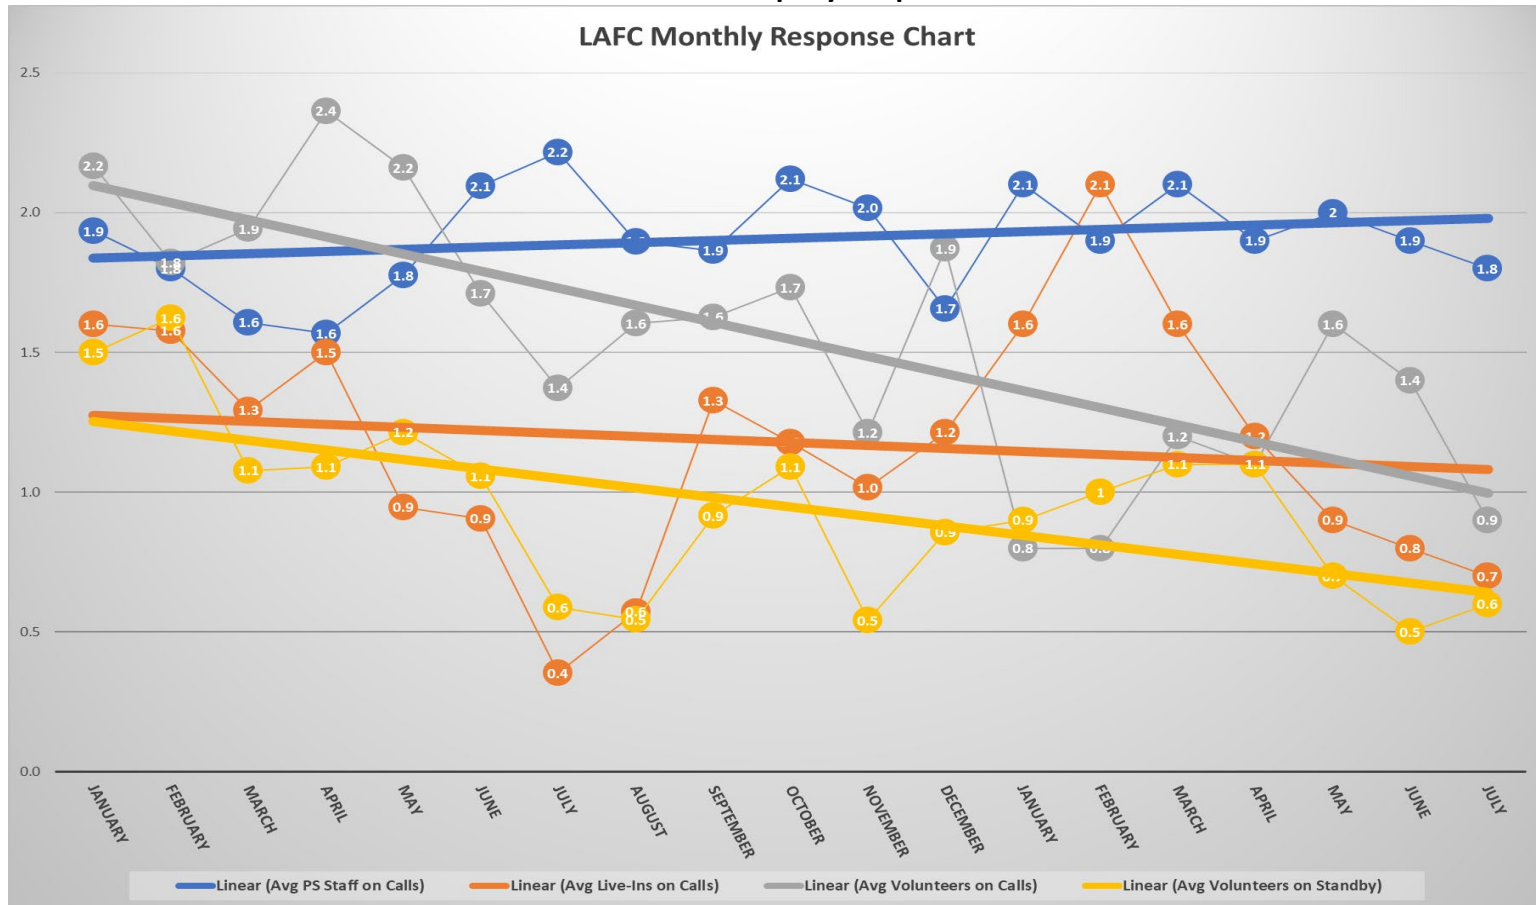

On 7/22/2022 in the afternoon Lower Allen Fire Company was dispatched to 1416 Market Street in the Borough of Camp Hill for a Structural Collapse. Rescue 12 and Truck 12 responded to assist with search of the building and pulling down unsafe portions of the building. The building sustained substantial damage due to failure of the front brick wall of the building.

Live-In Firefighter Activities:

- Firefighter Brian Ariano responded to 28 incidents (47%) this month.
- Firefighter Tyler Rotelle responded to 31 incidents (52%) this month.
- Firefighter Patrick Reidy has terminated his live-in agreement and will not be returning this fall. He expressed his appreciation for his time here at Lower Allen and thanks everyone for their help and assistance while a live-in.

Lower Allen Fire Company Response Chart:

The above chart displays the average number of responders for the four categories displayed: Public Safety (PS) Staff (Full-Time PSOs, Part-Time PSOs, Fire Captain, and Fire Inspector); Live-Ins include work and college live-ins at both fire stations; Volunteers on calls are those that respond on fire apparatus; Volunteers on Standby are those that standby on station during the incident). This chart will be updated monthly.
