In schools to instill confidence.

Feeling like she didn’t fit in, DeeAndra struggled to find her place in school. As a result, her motivation was low and her attendance was suffering. Najee from Communities In Schools became her cheerleader, helping DeeAndra see that she was capable of much more. Within one year, her attendance went from 59% to 89%. She’s now an honor roll student, working toward her long-term goal of becoming a cardiothoracic surgeon. There are millions of at-risk kids like DeeAndra who need a caring adult to help them stay in school and succeed in life.

See how we help all kids succeed. | CommunitiesInSchools.org

THIS VETERAN HAS EXPERIENCED ENOUGH.

Sergio lost his leg and his hearing while serving our country overseas. Now back home, he was ready to start a new chapter in his life. But when he found the perfect apartment, the landlord refused to make a reasonable accommodation to allow his service dog in a “no pets” building. Then Sergio learned that the Fair Housing Act protects people with disabilities. He contacted HUD and filed a complaint. Today, Sergio is feeling right at home.

HE SHOULDN’T HAVE TO FIGHT HOUSING DISCRIMINATION BECAUSE OF HIS DISABILITY.

I was one of our nation’s hungry kids growing up. Today, 1 in 5 children in America struggle with hunger. But when they get breakfast, their days are bigger and brighter. Learning, attention, memory and mood improve. Together, we have the power to get breakfast to kids in your neighborhood — let’s make it happen. Go to hungeris.org and lend your time or your voice.
