What Your Subscription Includes:

**MEDICALLY NECESSARY EMERGENCY AMBULANCE TRANSPORTATION:**
Subscribers of your household living with you will be transported to the closest appropriate hospital.

**ADVANCED LIFE SUPPORT CARE (A.L.S.):**
In addition to ambulance transportation, Advanced Life Support care will be provided as part of your subscription. When a life-threatening call is received, (i.e., heart attack, trouble breathing, diabetic reaction, unconscious person, or a severe auto accident) an ALS provider will respond with our ambulance.

**AMERICAN HEART ASSOCIATION CPR:**
Prepare yourself for a potential family emergency by learning cardiopulmonary resuscitation for an infant, child and adult – including emergency procedures for a blocked airway. This training is appropriate for household members of record age 12 years and older for a minimum charge for instruction material. Classes will be conducted quarterly, based on response. Phone 717-975-7575 to schedule a class.

**NOT INCLUDED IN YOUR SUBSCRIPTION:** Non-emergency transports, additional mileage beyond the closest appropriate facility and not medically necessary transports. Persons in these categories who do not require medical treatment by EMS and could find another means of transportation will be responsible for payment for this type of service.

A copy of the official registration and financial information may be obtained from the Pennsylvania Department of State by calling toll free, within Pennsylvania, 1 (800) 732-0999. Registration does not imply endorsement.

**Please note:** If you have a plan to donate money to the Lower Allen Fire Co. please be advised that this does not include ambulance service. Your gift is certainly appreciated by the Fire Co. but they do not have an ambulance to provide medical services.
Each year, Lower Allen Township EMS responds to an increasing number of calls for assistance. We expect to respond to more than 3,400 calls in 2020.

Your subscription fee directly supports our 2020 budget expenditures of more than $1,500,000 each year.

These expenses are primarily funded through insurance reimbursement for ambulance services, donations and our annual subscription drive.

We appreciate your past support and stand ready to serve you if needed.

The Township Emergency Management Staff strongly encourages all residents to complete the special needs section on the subscription application, regardless if you want subscription or not. This list, which is required by federal law for our Three Mile Island EPZ, assists the Public Safety Department by identifying residents with special needs during an emergency to help with providing information or assistance.

Why should you subscribe?

- Advanced Life Support Services are included with your subscription.
- Discounted rates for wheelchair or stretcher van non-emergency transports.
- Free CPR training for members and family. (Minimal charge for books and materials.)
- All subscription proceeds are used to maintain ambulance services and equipment.
- Lower Allen Township EMS is staffed 24 hours a day, 7 days a week with professional career Emergency Medical Technicians, Advanced Emergency Medical Technicians and Paramedics.

Third Party Billing Program

Q. WHAT IS THIRD PARTY BILLING?

A. Third Party Billing is a program that provides reimbursement for hospitals, physicians and ambulance services. The reimbursement is based on services rendered to patients either in the hospital, or before the patient reaches the hospital. In some cases, insurance companies and government programs may reimburse some portion of the ambulance charges.

Q. HOW DOES THIRD PARTY BILLING WORK?

A. Lower Allen Township EMS submits claims to your insurer. CHECKS SENT TO YOU, the subscriber, that are for payment of the ambulance services provided to you, should be endorsed on the back and mailed to Lower Allen Township EMS, 2233 Gettysburg Road, Camp Hill, PA 17011. Along with a copy of the explanation of benefits. If your health insurance does not process the claim for payment at the full benefit amount, you will be asked to contact your health insurance for payment of the remaining balance.

SUBSCRIPTION DETAILS

The Lower Allen Township EMS subscription provides the following for subscribers.

The co-pay or co-insurance for the first ambulance transport will be covered at 100% by the subscription program.

The co-pay or co-insurance for the second ambulance transport will be covered at 50% by the subscription program and the patient will be responsible for the remaining 50%.

Payment of the co-pay or co-insurance for three or more ambulance transports will be the responsibility of the patient.

General Information

The Township EMS Department provides emergency pre-hospital care and ambulance transportation to hospital emergency care units for residents and visitors in our community. In addition to this vital service, the EMS staff is very active as emergency care trainers, doing public visitations / speaking engagements, and disaster planning sessions with area businesses and health care facilities.

The EMS subscription drive is conducted annually during the fall and winter months by the EMS Department. The subscription provides the residents an opportunity to assist us in equipping our ambulances with the finest quality medical equipment.

Lower Allen Township EMS does not own or operate a wheelchair or stretcher van. However, subscribers in need of this service will receive a discounted rate for the transport with one of the non-emergency transport services that honor this agreement.

You must notify Lower Allen Township EMS if you lose insurance coverage or change insurance providers.
