Fire Captain (Fire/PSOs)	Page	30-32

The Department of Public Safety continues to move forward in our mission to provide for the safest community possible through service to our residents and visitors. We are looking forward to continuing to implement a variety of outstanding programs thanks to the budget approved by the Board for 2019.

Monday, July 1st – Coordinated with Suez Water to get GIS filed for their hydrant locations in adjacent municipalities where they serve as the water provider. These locations files will be added to the Alpine fire software to assist Lower Allen when deploying to adjacent municipalities on mutual aid assists. PA American Water already has provided this information to Lower Allen for our Township.

At 11:00 a.m. conducted a press event in front of the EMS bays to announce our launch of the Lower Allen EMS ALS program. The event was coordinated with Pinnacle Public relations Dept and Life Team also attended the event. We thanked them for their interim support and providing ALS service by contract as we studied developing our own Township service.

In the afternoon attended a planning meeting for the Cedar Cliff High School Active Shooter Training Exercise being planned.

Tuesday, July 2nd – Conducted additional EMS position interviews for Paramedic part-time and EMT part-time. The attended the Alarm Committee meeting of the PA Chief's Association, which I chair. That committee is seeking ways to minimize false alarms to law enforcement agencies through a variety of options.

Wednesday, July 3rd – Met with the Alpine software implementation working group and then developed a multi-discipline position planning tool as part of the Ad Hoc Committee research project.

In the afternoon attend the CED staff meeting.

Thursday, July 4th – HOLIDAY

Friday, July 5th – Out of Office

Monday, July 8th – Attended a Unified Incident Command discussion at the PA Turnpike. A working group of public safety commanders is working on developing a training curriculum for Unified Command that could be utilized where various discipline respond to Turnpike incident. The protocols could also be taught for use in non-Turnpike events as well. This has been particularly problematic in managing multi-discipline events. In the afternoon attend a Cedar Cliff Exercise planning meeting and then the Police Supervisor's meeting. In the evening attended the Board of Commissioner's meeting.

Tuesday, July 9th – Attended the Cumberland County Hexagon CAD mobile overview for law enforcement. The County plans to have this new CAD software in place by August Of 2020.

Wednesday, July 10th - Attended the Cumberland County Hexagon CAD mobile overview for fire/EMS. The County plans to have this new CAD software in place by August Of 2020.

In the evening attended the LA Fire Company meeting.

Thursday, July 11th - Attended the Cumberland County Hexagon CAD mobile overview for fire/EMS mobile responder App. The County plans to have this new CAD software in place by August Of 2020. In the afternoon attended the LEPC meeting at Cumberland County, and then in the evening I attended the Lisburn Fire Company meeting.

Friday, July 12th – Participated in the Public Safety Coordination Meeting in the morning with the police, fire, and EMS disciplines. Then, in the afternoon conducted a Quarterly Budget review with the captains.

Saturday, July 13th – Checked in at the hotel for the PA Chiefs of Police Training Conference.

Sunday, July 14th – Attended opening day of the PA Chiefs of Police Training Conference.

Monday, July 15th - Attended the PA Chiefs of Police Training Conference.

Tuesday, July 16th - Attended the PA Chiefs of Police Training Conference.

Wednesday, July 17th – Attended the Cumberland County Chief’s meeting in Middlesex Twp. in the morning where we discussed the COBRA-CAPE Cumberland-Dauphin County RMS sharing project.

In the afternoon attended a meeting with Cumberland and York to discuss the Sheepford Rd bridge condition.

Thursday, July 18th – Conducted a budget review in the morning for 2019’s figures to date and then held a captain’s meeting in the afternoon.

In the evening attended an EMS All Hands staff meeting conducted by Captain Deaven.

Friday, July 19th – Attended an Alpine Software implementation working group meeting in the morning.

Monday, July 22nd – Meet with the Manager in the morning and then met to discuss EMS with Capt. Deaven In the afternoon attended a Cedar Cliff Exercise planning meeting and then an Alpine training session. In the evening attended the Board of Commissioners meeting.

Tuesday, July 23rd – Attended a department head meeting in the morning, budget review meeting in the afternoon, and then a PA Turnpike detour closure meeting in the evening.

The PA Turnpike plan to close eastbound between the Gettysburg Rd interchange and the I83 interchange the second to last weekend in September to place a portion of a new bridge over the NS railroad tracks. The last weekend of September they will close the westbound lanes for the other half of the bridge. The detour will be Rt 15, PA581 and I-83 during both closures.

Wednesday, July 24th – Attended an AT&T demo for IP based radio interop. This would combine a routing of a Township Talk Group on the County radio system with an IP pathway to the FirstNet cell system. This would expand our radio footprint to allow for Command cellphone communication via radio when outside the County radio footprint.

Attended the Alpine training session in the afternoon.

Thursday, July 25th – Attended the Alpine software training session on the Training and Inventory Reports modules in the afternoon.

Friday, July 26th – Worked on the PowerPoint for the 7/29 Ad Hoc Committee meeting.

Monday, July 29th – Met with an EMS consultant in the morning to review the possibilities of some projects that may be proposed. Also, attended a final planning meeting for the Cedar Cliff Exercise.

In the evening attended the Public Safety Ad Hoc meeting at Christian Life Assembly.

Tuesday, July 30th – Conducted various administrative planning projects.

Wednesday, July 31st – Met with Tom Ryan from the school district to brief him on the active aggressor exercise planned for Saturday, August 3rd. Also, completed part of the PowerPoint for the morning training to be part of the exercise.

DEPARTMENT HEAD:

During the month of July, Captain Crone was on Vacation for a week and spend four days at the PCPA Training Conference. During time in the office, Captain Crone attended several planning meetings for the CCHS Exercise, attended a police supervisors' meeting, BOC Meetings, Public Safety Ad Hoc meetings (both the meeting itself and preparatory meetings), and Department Head meetings. Coffee with a Cop was held on 8/23. Budget preparation meetings commenced. A PA Turnpike closure briefing (for fall closure) was attended.

A meeting was held with CARFAX representatives which ultimately resulted in engaging in a process whereby our crash reports will be sent to them, they will handle distribution to requestors, and they will send us the proceeds from those transactions. This benefits CARFAX as they have information for their reports. It benefits us in that we no longer need to process requests and payments, allowing records staff to focus on other duties.

Patrol Officer of the Month kudos to Alex Milletics. During the month of July, Officer Milletics handled 9 UCR investigations and made 16 traffic stops, both tops for his squad. One of those cases stemmed from a traffic stop that quickly devolved into a resisting arrest case. Officer Milletics was able to activate his emergency button and keep the suspect in a controlled hold until backup arrived and assisted with the arrest. He later obtained a search warrant for the vehicle and seized a small amount of marijuana.

Another case he handled involved a missing 11-year-old who willfully left the Capital City Mall with a 22-year-old acquaintance. Further investigation resulted in a statutory rape case that occurred in another jurisdiction. Due to his ability to gather and relay relevant information quickly, the girl was safely recovered, and the ongoing child abuse was ended.

NALOXONE

For the second month in a row, there were no Narcan administrations by officers.

UCR Crime Statistics

The first graphic shows the crimes reported by type for the month and year-to-date, along with last year's numbers. The second graphic is for arrests. This shows how many arrests and the crimes involved. As a reminder, UCR statistics only show the most serious crime in a given incident. Analysis shows a significant increase in Part 1 incidents. There is a reduction in part II offenses, in part due to the fact that the more serious part 1 incidents include incidents where part II crimes were also charged.

July began with the launch of the Lower Allen Township EMS Advanced Life Support Services at 0700 on July 1, 2019. The transition from Community Life Team EMS was seamless.

A well-attended media event was held with representatives from multiple news agencies, UPMC officials, and the Township.

A primary focus during July was to develop the ALS system with input from all personnel. There was good participation and revisions were made to continue developing the highest quality service.

All paramedics have completed their orientation and began their regular schedules. Additional tasks were assigned based on experience and expertise.

ALS quality assurance was begun with Dr. Modi. The feedback from Dr. Modi was positive. Several types of high acuity calls were identified for medical director for review on a regular basis.

All aspects of the EMS Division are being evaluated with an emphasis on Safety, Teamwork and Integration within the Public Safety Department. Electronic systems were placed in service for daily rig checks, call tracking, vehicle maintenance reporting, equipment maintenance reporting and quartermaster tracking.

Full implementation of the PlanIT scheduling system was initiated and will continue until the system is being used to its maximum potential.

The ESO charting software was updated and will continue to be updated for data collection and key clinical reporting for the health system. The process to transfer data from the LifePAK 15 Cardiac monitors into the ESO charting software was completed. The process to have Cumberland County Communications data transferred directly to the ESO charting software is in process.

A high level of scheduling challenges continued to occur in July. All staff have done their best to help cover as many of the openings as possible. The staff's hard work and dedication are commendable and greatly appreciated. Captain Wirth and the PSO's have continued to be impacted because of the LATEMS scheduling challenges. There is considerable future work to be done in this area as we move into the future.

Recruitment and interviews continued in July for Part-time Paramedics and EMT's with several highly qualified candidates in the process.

Cumberland County provided additional data to assist in developing LATEMS strategies. The development of the ESO reports was initiated and is providing information not previously available. Data is continually being refined to ensure the delivery of highest quality EMS services is provided to meet the expectations of our residents.

The number of requests for service outside of Lower Allen Township is an on-going focus. Data is being gathered to identify causes and determine strategies to reduce the impact on the citizens of Lower Allen Township.

The staff continues to work hard and is dedicated to moving forward in a positive manner to ensure all aspects of Emergency Medical Services are delivered efficiently and effectively with the highest quality of care possible.

Director Holl and Captain Deaven continue to work on new ideas and concepts to deliver the highest possible quality of care and continuous improvement for EMS operations.

Demands for EMS continue to grow with the growth of the Township, aging society and the challenges of health care.

Lower Allen Fire Company and Lisburn Community Fire Company personnel attended the following training:

- On Wednesday, July 17, PSO Keegan Toot conducted a training class on Rapid Intervention Team (RIT) operations. Participants went over what equipment is to be deployed/staged, scene location, RIT deployment, down firefighter packaging, and means of extricating a downed firefighter.
- On Wednesday, July 24, a Tanker Shuttle exercise hosted by Fairview Township Fire Dept. was conducted at Red Land High School. Numerous mutual aid departments participated along with Lower Allen and Lisburn Fire Companies. Driver/Operator training was conducted on Engines 1-12 and Engine 3-12. Truck 12 performed aerial operations and master stream operations. Tanker 24 shuttled water the entire evening and conducted Driver Training.

- On Wednesday, July 31, Fire Captain Frank Wirth conducted a training session on response to an active shooter incident.
