The Department of Public Safety continues to move forward in our mission to provide for the safest community possible through service to our residents and visitors. We are looking forward to continuing implementing a variety of outstanding programs thanks to the budget approved by the Board for 2019.

Monday, June 3rd – Attended the FBI National Academy restrainer in Lancaster.

Tuesday, June 4th – Attended the FBI National Academy restrainer in the morning. In the afternoon attended the CD staff meeting, and in the evening participated in the Public Safety Ad Hoc Committee meeting at LA Fire Station 2.

Wednesday, June 5th – Attended the COBRA records management system project implementation meeting at Central Penn College. This project, through Cody Systems, brings together various police records management systems into a common sharing platform. The Cumberland County police departments and the Dauphin County police departments have come together to form a node on the system they are calling CAPE. That stands for Capital Area Police Exchange. It will allow disparate records systems to be shared for query by police officers through a secure web browser. This project supports officer investigative effectiveness and efficiency as well as officer safety.

Thursday, June 6th – In the morning attended the Commonwealth of Pennsylvania 911 Advisory Board meeting at PEMA. I serve as the representative from the PA Chiefs of Police to the Advisory Board. This is a natural offshoot since while I was at PEMA I supervised the 911 Office as one of the areas of my responsibility.

Friday, June 7th – Met with the Civil Service Commission in the morning where they authorized the hiring list for officers. After that, drafted the Board Agenda item for hiring two new officers July 1st from the list approved by Civil Service.

Attended a lunch meeting with Capt. Deaven and an EMS operations expert to discuss the LA EMS direction and strategic initiatives.

In the afternoon participated in a conference call with the project manager for the COBRA CAPE system. I serve as a member of the Executive Implementation Committee for CAPE as the Cumberland County Chief's representative.

Monday, June 10th – Completed time sheet approvals and submission in the morning and then administrative reports in the afternoon.

In the late afternoon I also attended a CD plan review meeting with the Fire Company's conducted by Dan Flint and then the Board of Commissioners meeting in the evening.

Tuesday, June 11th – Attended the Department Head meeting in the morning and then a National Response Framework (NRF) webinar hosted by FEMA in the afternoon.

Wednesday, June 12th – Met with Justin Strawser, the new part-time Public Safety Planner, to discuss the future vision for the Township's emergency management program. Justin will be working on the updates to the Emergency Operations Plan as well as various training exercises.

Thursday, June 13th – Traveled to Maryland with Lt Thomas and Charlie Reynolds to attend a Ford Motor company ‘drive and learn’ symposium for the new 2020 police cruiser packages. Of interest was the new Explorer police package hybrid being released in 2020. The data on the new hybrid as well as the driving experience suggested we should seriously consider these as an option for our 2020 police SUV replacements. Their performance meets or exceeds the current gas only models.

Friday, June 14th – Conducted a public safety coordination meeting in the morning and met with Dr Modi, the new EMS Medical Director, in the afternoon.

Monday, June 17th – Attended the Cedar Cliff High School exercise planning meeting. This exercise and training education event will be conducted Saturday, August 3rd at Cedar Cliff High School. It will include all Lower Allen public safety disciplines as well as our mutual aid responders for the police, fire, and EMS disciplines. The goal is to train for the integrated response model which is what has emerged nationwide as the operational response model to mass casualty and care events following a hostile action event.

In the evening attended the Capital Region Council of Governments meeting at Hampden Township for a presentation on human trafficking.

Tuesday, June 18th – Met with Capt. Deaven and Life Team representatives to discuss the transition of ALS services. Then met at Cedar Cliff to prepare the library for the evening’s Public Safety Ad Hoc Committee meeting.

In the evening participated in the Ad Hoc Committee meeting.

Wednesday, June 19th – Attended a meeting in the morning with the PUC and Norfolk Southern to discuss the railroad’s dual crossing closure.

During lunch attended the employee picnic in the fire bays.

In the afternoon conducted paramedic interviews for open paramedic positions with the new ALS servicer beginning in July.

Thursday, June 20th – In the morning attended a meeting at the PA Turnpike to discuss the September closing of the turnpike between Rt 15 and Rt 83 interchanges. The detour route for these two weekend closings will be Rt 15, Rt 581, and I-83.

In the afternoon attended a Stop the Bleed webinar to learn about various program options that we may be able to adopt in the community through EMS.

Friday, June 21st – Attended the pension meeting and then participated in an interview with another paramedic applicant.

Monday, June 24th – Approved and submitted time sheets in the morning and then met with the Manager to discuss various administrative and operational topics.

In the afternoon attended another Cedar Cliff Exercise planning meeting.

In the evening attended the Board of Commissioners meeting.

Tuesday, June 25th – Met with Bill Yeagley in the morning to discuss the ongoing implementation of the Property Maintenance program, then attended the department head meeting.

Met with the Executive Committee of the Cumberland County Chiefs of Police and Dave Heffner from Cody Systems to discuss option for the billing of the participating Cumberland County police departments in COBRA.

Wednesday, June 26th – Began working on template options for the Public Safety Ad Hoc Committee.

Thursday, June 27th – Attended the EMS Innovation Conference hosted by the Emergency Health services Federation with Capt. Deaven.

Friday, June 28th – Attended the Alpine software implementation conference call with the committee and the vender. Through the day attended to various administrative tasks.

DEPARTMENT HEAD:

During the month of June, Captain Crone attended a Uniform Committee meeting, a Civil Service Commission meeting, BOC Meetings, Public Safety Ad Hoc meetings, Department Head meetings, a Roundabout pre-construction meeting, a Public Safety Coordination Meeting, and an exercise planning meeting. Captain Crone also presided over the monthly PPAC meeting, participated in a meeting regarding the Accreditation Status of the Attorney General's Office, several policy development discussion meetings, and various impromptu meetings.

Captain Crone attended range training, including qualifications missed during light-duty time earlier in the year. He also attended training sponsored by the FBI National Academy, along with Director Holl.

Patrol Officer of the Month honors go to Bryan Rennie. During the month, Ofc Rennie made seven criminal arrests (this included 2 Retail Thefts, 3 Disorderly Practices, and 1 Public Drunk). He also issued seven traffic citations and fourteen warnings.

Ofc. Rennie did an excellent job on a self-initiated incident on 6/5/19 where he observed a vehicle on Gettysburg Rd. being driven erratically. Ofc. Rennie ran the plate and identified the driver as being DUI suspended. He had pulled up beside the vehicle at a traffic light and was able to positively identify the driver when the PennDOT photo came back. When Ofc. Rennie attempted to stop the vehicle, the driver failed to stop, and a brief pursuit occurred. Since Ofc. Rennie had already run the plate and identified the driver, so he was able to terminate the pursuit after a few seconds. Ofc. Rennie received approval from the D.A.'s Office to charge the driver with two felonies, a misdemeanor, and a summary. A warrant was obtained for his arrest.

NALOXONE

For the first time in a long time, there were no Narcan administrations by officers this month.

RECORDS FUNCTION:

Records staff continues the normal daily routine of organizing, filing, and distributing paperwork as appropriate, as well as fielding calls for service over the phone and handling or directing walk-up customers.

The focus for the month of June was preparing for the launch of the Lower Allen Township EMS Advanced Life Support Services. A major area of focus was the hiring of Full-time and Part-time paramedics.

The following paramedics were selected to join the Lower Allen Township EMS Team in June.

Full-time

Jodi Etter
Josh Schware
Michael Quenzer

Part-time

Jimmy Grundon
James Whitall
Sean O'Haren
Mike Houser
Kelly Motter

Dr. Ruppen Modi was selected as the Medical Director. Dr. Modi is a great addition to the team. Dr. Modi's clinical approach aligns with the vision for the future of Lower Allen Township EMS and his expertise will enhance Lower Allen Township EMS to clinical excellence as we move forward.

Director Holl and Captain Deaven met with Chief Barry Albertson and Deputy Chief Joel Hocking from UPMC Pinnacle Community Life Team on multiple occasions to facilitate a seamless transition. An excellent relationship with UPMC Pinnacle Community Life Team exists and will continue in the future.

Multiple challenges were overcome to meet the July 1, 2019 deadline to start Advanced Life support Services. The Lower Allen Township EMS Team completed all preparations for the launch of Advanced Life Support Services in 45 days. ALS services usually require months of preparation to set-up and begin delivering Advanced Life Support Services. The entire Lower Allen Township EMS Team and Department of Public Safety contributed.

Beyond the implementation of Advanced Life Support Services, all aspects of the EMS Division are being evaluated with an emphasis on Safety, Teamwork and Integration within the Public Safety Department.

Multiple personnel attended a variety of training in June involving Active shooters, EMS innovations and Left Ventricular Assist Devices (LVAD). EMT Beishline continues to coordinate EMS continuing education. Additionally, she is continuing her summer safety series and has significantly increased the number of people being reached by Social Media. Positive feedback has been received regarding the increased social media presence.

Supervisors Hivner and Calman are continuing with their assigned task. Supervisor Hivner is assisting with the on boarding of new personnel.

Due to unforeseen circumstances, multiple schedule challenges occurred during June. All challenges have been met and all units remained staffed. Improved use of the scheduling program, communication and coordination with Captain Wirth decreased the impact to the PSO program while maintaining EMS staffing levels. There is considerable future work to be done in this area as we move into the future.

Director Holl and Captain Deaven continue to work on new ideas and concepts to deliver the highest possible quality of care and continuous improvement for EMS operations.

Data points are continually being refined to ensure the delivery of EMS services is provided at the highest level and meeting the expectations of our residents.

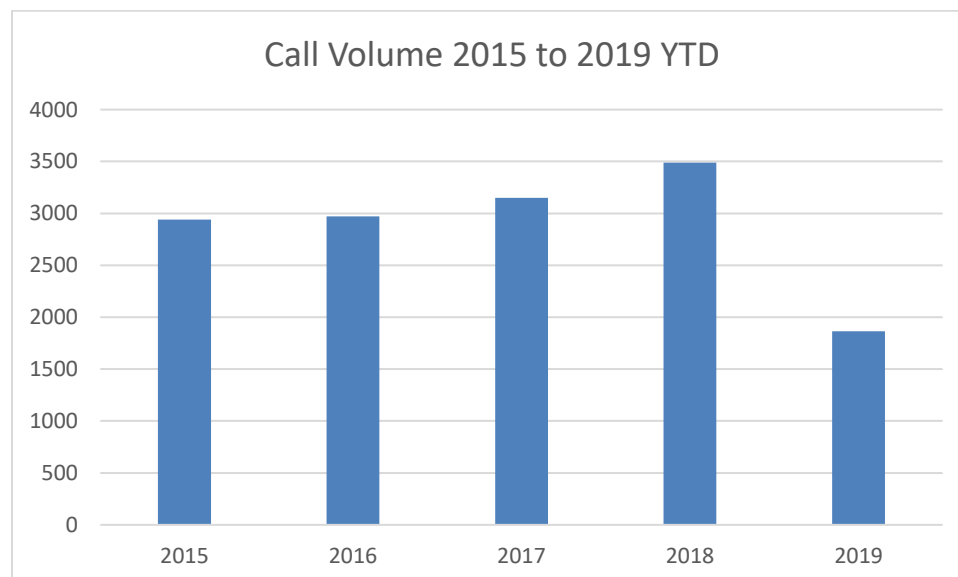

“Missed Calls” are high priority and in-depth analysis of the data to determine the leading causes will be completed by the end of the summer. The process of data collection has been enhanced with additional reports from Cumberland County Communications as well as improved use the ESO reporting features.

The Pennsylvania Department of Health released updated scope of practice for Emergency Medical Technicians, Advanced Emergency Medical Technicians and Paramedics. New protocols were released for Emergency Medical Technicians and Paramedics. The updated scope of practice will facilitate the implementation of Advanced EMTs (A-EMT). Providers with this certification can perform certain higher-level skills including IV administration and limited drug therapies under certain circumstances. State and regional protocols, and dispatch criteria, will need adjusted to make this level of certification an operational reality. An adjustment to the salary matrix would also be required if we were to implement this option. Currently Marie Calaman and Ashley Beishline are Advanced EMT’s.

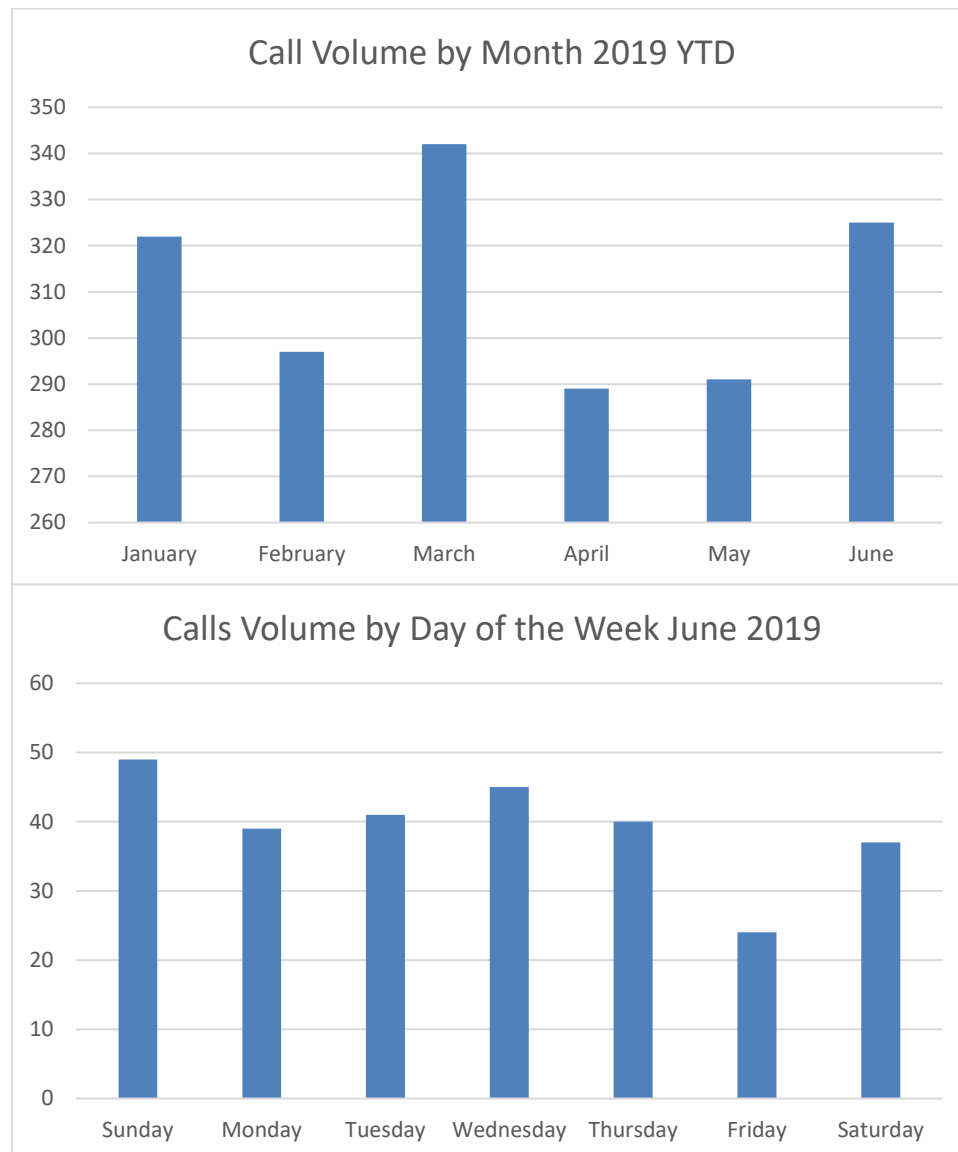

An article was written announcing the start-up of Advanced Life Support Services for the township newsletter.

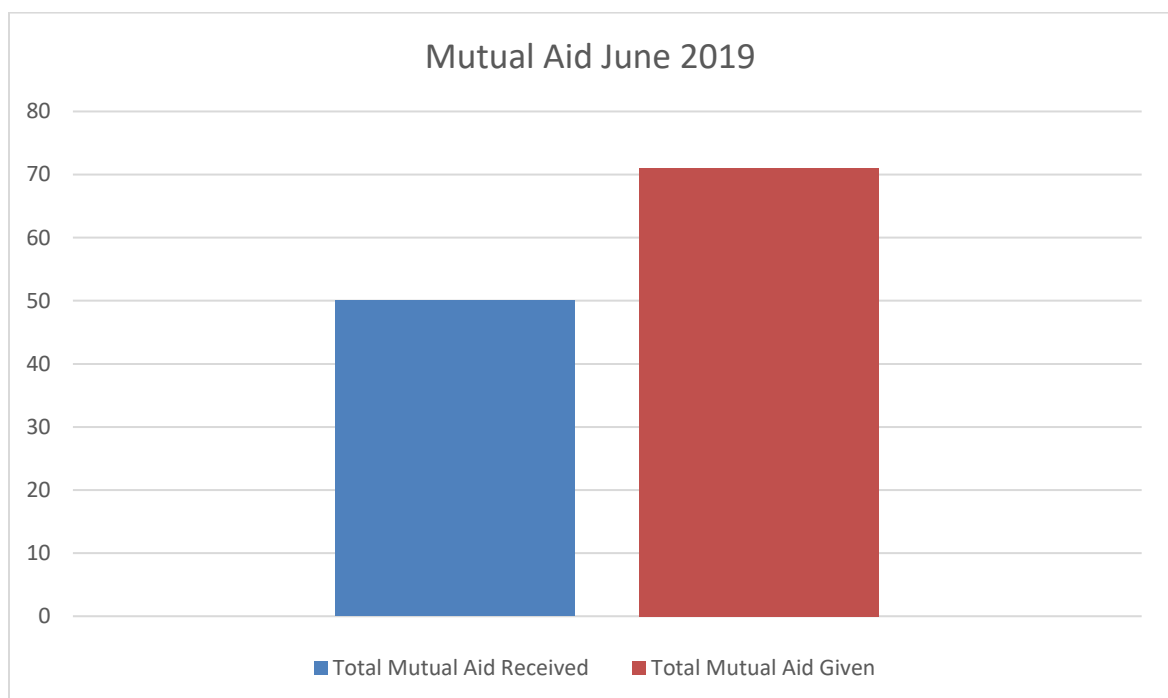

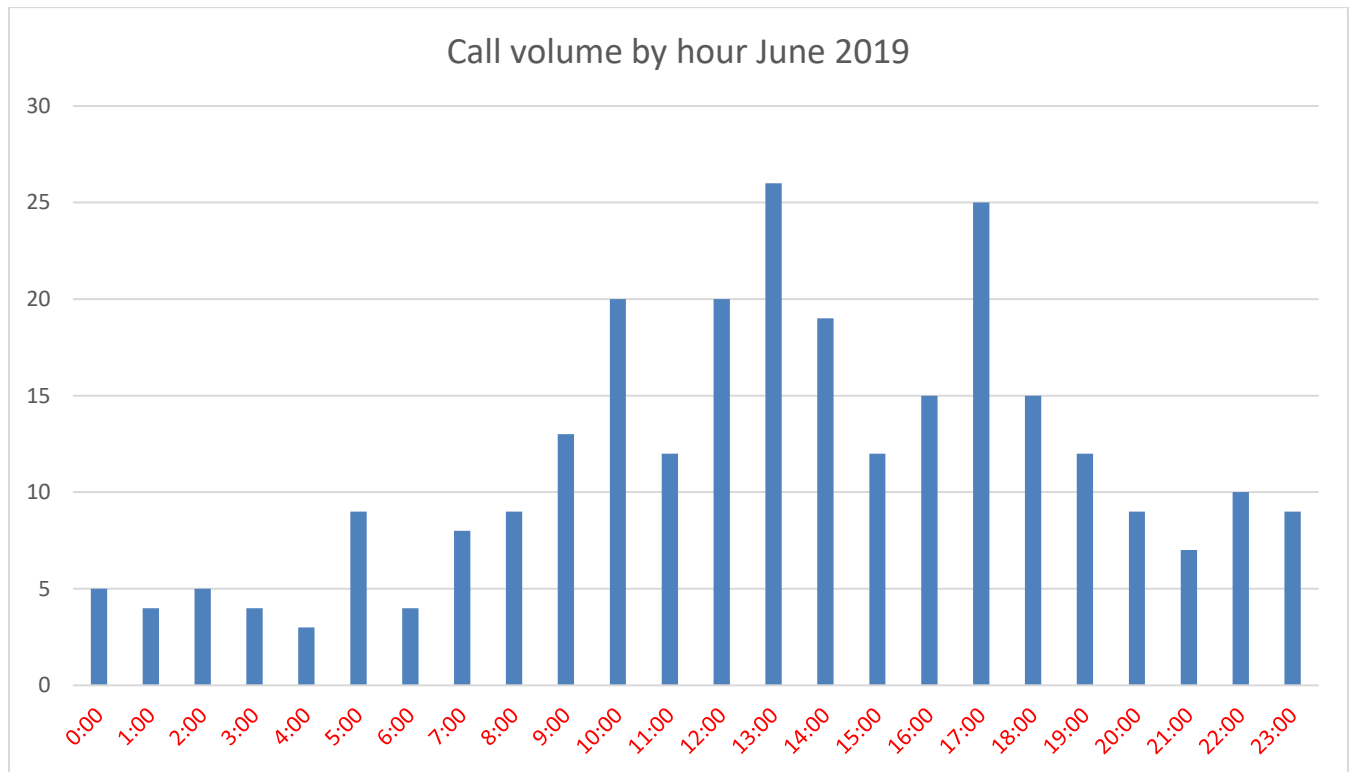

A complete assessment of all aspects of Emergency Medical Services and the delivery model is ongoing and opportunities for improvement are being developed. The goal is to provide the highest quality of service and expand service delivery into non-traditional area to improve overall health and well-being of our community.

EMS continues to grow because of an aging society and increased population.

Lower Allen Fire Company and Lisburn Community Fire Company personnel attended the following training:

- On Wednesday 6/5/19 PSO Bryce Landis conducted a training class on ground ladder operations. Participants went over proper techniques in the proper placement, deploying, and stowing of ladders at the Bon Ton facility.
- On 6/8-9/19 a Truck Company Operations II Class was conducted through HACC. The instructor was State Fire Suppression Instructor Mike Kotzo. This class went over the following: ground ladder operations, search and rescue, large area search operations, forcible entry, down firefighter rescue operations, and position specific responsibilities as a member of the Truck Company.
- On Wednesday 6/19/19 PSO Bryce Landis and Fire Captain Frank Wirth conducted training at the Bon Ton facility on large area search operations, down firefighter rescue operations, and forcible entry. This training was designed to improve confidence and familiarity with the lessons learned from the Truck Company Operations II class.

- On Wednesday 6/26/19 training was conducted at the Bon Ton facility on the new Tanker 24. Participants conducted dump site and fill site operations with the new Tanker 24 so that everyone was familiar with using the new apparatus in the future.

On Monday 6/3/19 a Training Committee Meeting was held to discuss the upcoming training schedule for the Summer, which will primarily focus on Engine and Truck Company Operations using the Bon Ton facility. Additional training will be conducted on the new Alpine Fire Reporting System and Active Shooter Incidents.

On 6/5/19 Lower Allen Fire Chief Dave Murdoch, Lisburn Fire Chief Frank Williamson, and Fire Captain Frank Wirth met to develop an outline and presentation for the upcoming Ad Hoc Committee public safety presentation on June 18th.

On 6/6/19 Lower Allen Fire Chief Dave Murdoch, Fire Captain Frank Wirth, Code Compliance Officer Bill Yeagley, and Twp. Engineer Dan Flint met with representatives of the Arcona Development to ensure that access for fire apparatus, namely the aerial truck, was satisfactory. There were a couple of areas that need addressed and Arcona representatives stated they will address the issues.

On 6/7/19 Fire Captain Frank Wirth met with all PSOs to discuss the transition of the shift schedule to a day and night coverage to start on August 19th. Other discussion points were expectations and duties during the night shift.

On 6/7/19, 6/21/19, and 6/28/19, meetings were conducted on the Alpine RedNMX Software Implementation Project for Lower Allen Fire Company, Lisburn Fire Company, Lower Allen Public Safety, and Lower Allen Fire Codes with the following in attendance: Public Safety Director Dave Holl, LAFC Fire Chief Dave Murdoch, LCFC Fire Chief Frank Williamson, LAFC Assistant Chief Chris Trace, Fire Captain Frank Wirth, Fire Inspector Bill Yeagley, and PSO Bryce Landis. Finishing touches are being completed on the Inventory Modules for equipment, SCBA, Hose, and the Fire Inspection Module. An implementation program has been developed and has been proposed.

On 6/11-12/19 Fire Captain Frank Wirth co-instructed a weeklong training course on the Active Attack Integrated Response (Active Shooter) conducted by ALERRT of Texas State University and sponsored by the South-Central Task Force. Captain Wirth helped train Lower Allen Township personnel in this class on Incident Command, Emergency Medical Care, and Rescue Task Force development.

On Tuesday 6/18/19 Fire Captain Wirth met with Fire Chief Frank Williamson, Deputy Chief Brian Landis, and Assistant Chief Greg Black on clarifying the process of conducting weekly fire apparatus and equipment inspections for Lisburn Fire Company. A process has been developed and implemented.

On Saturday 6/22/19 Lower Allen Fire Company held a Chicken BBQ sale. All Chickens were sold out by 1300 hours.

On Thursday 6/22/19 a Fire and EMS tour was conducted at Fire Station #1 for the Harrisburg Jewish Community Center.

Fire Captain Frank Wirth continues his Driver/Operator Training on Rescue 12 and Tanker 24.

PSO Kettering has completed Driver/Operator Training on Engine 3-12 and has started training on Squad 12.

PSO Kidd is still on deployment with the PA Air National Guard, which is to be completed in early 2020.
