PUBLIC WORKS DEPARTMENT

MONTHLY REPORT NOVEMBER, 2019

Leaf collection within the Township, started on October 21st and will continue through the week of December 9th. It is advised that all remaining leaves be raked out the weekend prior to the final week. Collection areas will be updated daily, on the Township website, making easy reference for residents, as to when leaves in their area will be picked up. Weather permitting, the street sweeper will clean up the Township neighborhoods, when leaf collection is completed.

Residents are welcome to bring any leftover leaf debris to Public Works, during regular business hours.

Deliveries of wood chips and leaf compost, to Lower Allen residents, will start in April, 2020, on Thursday and Friday mornings. The second Saturday drop off will start again in April of 2020, and continue through November, 2020.
