Deliveries of wood chips and leaf compost, to Lower Allen residents, will continue on Thursday and Friday mornings, through early November. Pre-payment must be made at the Municipal Services Center, before deliveries can be scheduled. Product can be self-loaded during regular business hours, Monday – Friday, 7:00am – 2:30pm, or the second Saturday of each month, through November, 8:00am – 1:00pm.

Leaf collection will start on October 24th, and continue through the week of December 5th. Leaves will not be collected during the Thanksgiving holiday break, November 24th – 28th. Collection areas will be updated daily, on the Township website, making easy reference for residents as to when leaves in their area will be picked up.

Crews were on site during the month to finish up the installation of new drain pipe and drain boxes on the back side of St. Johns Road. Storm water pipe repairs were made on Blacksmith Road, and a sinkhole was repaired on Moreland Court. Roadside and tri-deck mowing were on-going during the month, and will continue through the end of the season, where needed.

The newest addition, to the Township Fleet, arrived during the month. The 2016, Ford F350 Super Duty pickup truck, will replace the 2001 Dodge 2500 pickup truck. The decals and striping, will be completed in house by our sign shop. This truck comes equipped with a snow plow.
