The Department of Public Safety continues to move forward in our mission to provide for the safest community possible through service to our residents and visitors.

The month of March was particularly difficult for Public Safety as the COVID19 pandemic problem continued to impact our operations and strain our preparedness. Many problems we had not encountered before in normal operations strategies and deployments created the need to develop new plans and protocols. The fact that we have not seen a pandemic in our lifetime presented challenges. We did not have a checklist for a pandemic or preformulated policy documents. We were not alone! The healthcare industry, law enforcement, and fire/rescue services were all in the same predicament. I recall during the 2008/09 pandemic scare with H1N1 public safety intensively planned to develop plans for the worst-case scenario. When that pandemic did not occur, we shelved those incomplete, underdeveloped plans and moved on to solve the next crisis.

Unfortunately, when COVID-19 reared its ugly head, we were again faced with pulling the incomplete, musty, dusty, pandemic plans off the shelf and again renewing efforts to finalize and implement a plan. We found ourselves, as I often have said to staff, building the airplane while we were flying it.

Recall, January 30, 2020 the World health Organization only declared the Wuhan virus outbreak, “a public health emergency of international concern”! It was not until March 11th that the WHO declared and announced they has characterized COVID-19 as a “pandemic”. March began with public safety “surveillance” and monitoring of the evolving threat through traditional medic, social media, and health sources.

As the seriousness progressed during March, I’ve listed the highlights of my activities as the Director of Public Safety. You will see that the moth began with many routine normal activities, then progressed to COVID-19 directed activities.

Monday, March 2nd – Organized and conducted a meeting of the South-Central Task Force region county chiefs of police association presidents at Derry Township PD. The meeting was arranged to discuss the future of the Task Force Intel/Info Working Group. Currently that WG is part of the Task Force Criminal Justice subcommittee that I chair. The County Chiefs Presidents met to look at how well that Working Group is serving their needs and how it may need to be revised in the future, if need be.

In the afternoon, the manager and I met with Dr. Stoltz at ACE to discuss the crosswalk in the area of the planned Sheetz.

Tuesday, March 3rd – In the morning, met with Erin and CED to discuss the needs for the GIS project that multiple Township Departments budgeted for as a collective project for 2020. COVID monitoring continued.

Wednesday, March 4th – Attended the CED staff meeting in the afternoon. COVID monitoring continued.

Thursday, March 5^h – Attended the 911 Advisory Board meeting in the morning at the Dixon University center in Harrisburg. The meeting had been moved there since the Department of Health had already occupied the normal meeting room at PEMA. COVID monitoring continued.

In the afternoon, Capt. Deaven and I met with Representative Delozier at her office to discuss HB1862 and the negative impact it would have on EMS across the state if passed by the legislature. HB1852 has been termed the “surprise billing” legislation and would prohibit EMS from invoicing added costs post insurance payments.

Friday, March 6th – Met for planning on the Capital City Mall Exercise planned for fall, as well as on the EOP draft, and the proposal for the public safety facilities review.

Saturday, March 7th – Governor Wolf declares a Commonwealth Disaster for COVID-19

Monday, March 9th – Presented a session on Verbal De-escalation techniques at PASEO’s Annual Conference & Trade Show at the Red Lion Inn. The invite to do this presentation was set up through John Eby and Bill Yeagley.

In the evening attended the Township Commissioner’s Board meeting and provided a coronavirus virus preparedness update during the staff comments portion.

Tuesday, March 10th – Attended the department head meeting in the morning and met with Capt. Deaven to discuss the Ferno stretcher issues.

Wednesday, March 11^h – Met with Rick, Grove, the Manager, Capt. Deaven, and a Rep from Stryker to discuss Ferno stretcher replacements with Stryker stretchers through a lease program.

Thursday, March 12^h – President Trump declared a nationwide emergency due to Coronavirus Disease 2019 (COVID-19) pandemic. The incident period is January 20, 2020 and continuing. All PA Counties were included in the Declaration approval.

Friday, March 13^h – Held a conference call with the fire officers to discuss possible postponement of the LA Fire banquet Saturday given the COVID-19 health risks and the emergency declaration. The Board elected to not cancel the banquet and proceed as planned. I advised I will not be attending given the health emergency.

Governor Tom Wolf announced that all K-12 Pennsylvania schools will be closed for 10 business days effective Monday, March 16.

Attended an emergency meeting of Township employees conducted by the Manager concerning the closure of the municipal center beginning Monday the 16th.

Township Municipal Offices announced closed beginning Monday, March 16th.

Monday, March 16th – FEMA Region III activated their Regional Coordination Center in Philadelphia to manage the regional FEMA response to COVID-19.

Met with the Civil Service Commission to get their approval to participate in Cumberland County Chiefs Testing Consortium to develop a list for hiring (that testing was canceled due to the health emergency. It will be rescheduled for late summer or fall.

Began the daily LA Emergency Management Agency ICS-209 and distributing to the Twp. Emergency Operation Center staff with a copy to the Board of Commissioners.

Tuesday, March 17th – Drafted a Declaration of Health Emergency for Lower Allen Township, signed by President Villone.

Governor Wolf announced a statewide mitigation effort to stop the spread of COVID-19. As of midnight, all restaurants and bars must close their dine-in facilities to help stop the spread of COVID-19. Businesses that offer carry-out, delivery, and drive-through food and beverage service may continue to do so but eating and drinking inside restaurants and bars is temporarily prohibited; a no-visitor policy for correctional facilities and nursing homes has been implemented and will be evaluated for other facilities; freedom of travel will remain, but all Pennsylvanians are asked to refrain from non-essential travel; all childcare centers licensed by the commonwealth close as of Tuesday, March 17 and will be re-evaluated at the conclusion of the 14-day statewide closures. Philadelphia County families should check with their childcare facilities to determine status of business operations; adult day care centers, adult training facilities, Provocations facilities, LIFE centers and Senior Community Centers close beginning Tuesday, March 17 and will be re-evaluated at the conclusion of the 14-day statewide closures; essential State, County, and Municipal services will be open: police, fire, emergency medical services, sanitation, and essential services for vulnerable populations; supermarkets, pharmacies, and gas stations will remain open. The administration issued guidance for non-essential businesses, such as gyms, movie theaters and shopping malls during county-specific mitigation periods to protect employees, customers, and suppliers and limit the spread of the virus through personal contact and surfaces.

Capital City Mall announces it is being closed at 1600 hrs. today.

Wednesday, March 18th – Met with Public Safety Planner Justin Strawser to discuss the development of an infectious disease (pandemic) plan.

Department of Human Services Releases COVID-19 Operational Recommendations for Child Care Providers.

Memorandum issued by Cumberland Co DA - concerning Continuous Police Coverage during the COVID-19 Crisis & extraterritorial authority under the Municipal Police Jurisdiction Act.

- Request needs to be made in writing,
- A copy of the request provided to the DAs Office,

- Request should document the need for additional manpower and estimate the duration of need,
- Copies kept on file at the municipal jurisdictions.

Thursday, March 19th – Continued planning and implementation of policies, activities, related to COVID-19 response and mitigation.

Beginning end of business Thursday March 19, 2020, all courts in Pennsylvania are to close for at least two weeks as directed Wednesday by the state Supreme Court.

PA Dept of Agriculture issued **COVID-19 GUIDANCE**: Retail Grocery Stores, Restaurants & Bars

Gov Wolf orders all non-life-sustaining businesses to close physical locations <https://www.wgal.com/article/all-non-life-sustaining-businesses-in-pennsylvania-ordered-to-close-physical-locations-to-stop-coronavirus-spread/31789626#>

Friday, March 20th – Continued planning and implementation of policies, activities, related to COVID-19 response and mitigation.

Joined a 1pm Zoom meeting with the Commissioners and Manager for a COVID-19 update briefing.

Monday, March 23rd – OFF - Out of the Office to move my stepdaughter home from college with classes cancelled for the remainder of the semester.

Continued monitoring COVID-19 response and mitigation. Conducted coordination through phone calls and email throughout the day.

Tuesday, March 24th – Continued planning and implementation of policies, activities, related to COVID-19 response and mitigation.

Wednesday, March 25th – Continued planning and implementation of policies, activities, related to COVID-19 response and mitigation.

Thursday, March 26th – Continued planning and implementation of policies, activities, related to COVID-19 response and mitigation.

Friday, March 27th – Attended a Zoom Teleconference with the Board of Commissioners at 0900 hrs. Then attended a Director's Zoom Teleconference at 1000 hrs.

Monday, March 30th – Reviewed and approved employee time sheets in the morning, then continued with COVID-19 related activities throughout the day.

Began viewing the Governor's and Secretary of Health daily briefing at 1400 hrs. via the web.

Lower Allen Township Board of Commissioners extended the Declaration of Health Emergency to April 30th, 2020. Copy sent to Cumberland County via email.

Gov. Tom Wolf ordered K-12 school buildings to remain closed through an indefinite period of time as part of the commonwealth's ongoing efforts to slow the spread of the coronavirus. The governor made this announcement on Monday afternoon along with additional **stay-at-home orders extended** to four more counties **Cumberland, Dauphin**, Carbon and Schuylkill counties **through April 30**.

In the evening, attended the Board of Commissioner's Zoom Township meeting.

Tuesday, March 31st - Continued planning and implementation of policies, activities, related to COVID-19 response and mitigation.

LA Fire Request - Request from Chief Murdoch 03/30 to ensure 24/7 PSO coverage to support volunteer staffing. Director Holl approved. Capt. Wirth to schedule and track for possible reimbursement through Federal disaster funds.

The Manager, following the Governor's Order to move Cumberland County to Stay-At-Home status, emailed staff Monday advising Township Offices and Services closed except for essential services:

"All Township facilities are being closed, with the exception of essential services. **Essential services will be defined as public safety personnel and any other activity necessary for the preservation of safety for our residents and employees.** The Governor's order extends until April 30th."

Respectfully Submitted,

David L. Holl

Director, Department of Public Safety

March started out as a month like any other. Marginally aware of “some virus” that has been going around, we only had an inkling of what was to come. Captain Crone attended the ENTRUST conference for PowerDMS. He also attended PLEAC Commission meeting, the last “live” LAT Board of Commissioners meeting, and a few other regular meetings. Early in the month, though, the PELRAS and PLEAC conferences were cancelled, along with any other public gatherings and trainings, impacting the entire department. The rest of the month has been COVID-19 briefings, planning sessions and response.

Of note, there has been a significant difference in activity in the last 30 days, versus the 30 days prior to that:

Date Range	All Calls	UCR Calls
2/7-3/7	569	112
3/8-4/7	459	72
% Change	-19%	-35%

Essentially, crime is down 35% and regular activity down 19%. Results vary in other locations, but these are the Lower Allen numbers. COVID-19 has certainly changed the landscape.

To date, there have been 19 business closure investigations, the majority of which have been found to be in compliance with the order.

There has been a large up-tick in investigation of gatherings of groups of people. One particular incident involved a 10 v. 10 football game at West Shore Stadium. An adult football league from Eastern PA decided to have a game here.

The department is rolling with the ever-evolving Governor’s proclamations, but an approach of generating voluntary compliance is our preferred method.

Fortunately, as of this writing, no agency personnel have been diagnosed with the virus. All precautions are being employed to, hopefully, ensure that this continues.

In more pleasant news, for the second month in a row, the Patrol Officer of the Month is Kimberly Floyd:

During the month of March, Ofc Floyd handled 7 UCR reports making 4 arrests while also filing 3 Non-Traffic citations, 4 traffic citations, and 6 written warnings.

Some of her more significant arrests included the following:

- On 3/10/20 Ofc. Floyd made a traffic stop for an expired registration / registration displayed on wrong vehicle. During this stop, she detected the odor of marijuana and subsequent to a PC search recovered a small amount of marijuana.
- On 3/11/20, Ofc. Floyd observed a suspicious vehicle drive into the Walmart parking lot. She noticed that it parked in the rear corner of the lot far from the building. She recognized this as being consistent with trying to avoid the external surveillance cameras, so she entered the store after the suspects. Ofc. Floyd contacted the manager, and they watched the suspects on the surveillance cameras. The suspects were observed stealing from the store and concealing the items in their pockets. Officers took the suspects into custody as they attempted to leave the store.
- On 3/13/20 Ofc. Floyd was dispatched to a male urinating in the caller's driveway. The suspect was located and found to be extremely intoxicated. Through investigation, it was found the suspect had just driven to the location and was driving without an ignition interlock as required. Suspect was arrest for DUI and other charges.
- On 3/13/20 our platoon was dispatched to a physical domestic call on Blacklatch Ln. The adult daughter who was involved in the domestic had just left in her vehicle. Ofc. Rennie located and stopped the vehicle. Ofc. Floyd arrived and detained the suspect. A strong odor of marijuana was emanating from the vehicle, and a PC search was conducted. The search resulted in a significant amount of marijuana packaged for sale along with other paraphernalia being seized. Ofc. Floyd received D.A. approval to charge PWI.

CRIMEWATCH has published their annual impact report (included as an attachment to this report). Having only been on the system for part of a year, the results are more than satisfactory. Our use has surpassed agencies of similar size and, with a full year of statistics after 2020, I think we'll be competitive with larger agencies. With the advent of online reporting at no additional cost and the roll-out of Crimewatch Labs, an analytical tool, CRIMEWATCH is proving to be well worth the investment.

NALOXONE

There were no Naloxone administrations by police personnel in Lower Allen Township this month.

UCR Crime Statistics

There continues to be issues with UCR. Due to changes in submission requirements, several records management system vendors were placed in an impossible development scenario and were unable to make the necessary changes that would generate the information in a format that would be accepted by the UCR system. Our vendor is one of them. There will likely be a glut of data published in the monthly report that follows the correction of this condition. With the COVID-19 situation, resolution is

MONTHLY INCIDENT COUNT BY TYPE and SELECTED OFFICER LOG FIGURES

The most recent month figures are presented first, followed by last year's figures. The Selected Officer Log Figures chart that follows the Incident Count pages are items that consume patrol resources but are not documented in incident reports.

It is noteworthy that there has been a significant drop-in activity, primarily due to COVID-19 protocols and the results of lockdown orders.

Significant Open Investigations: For the Month, three (3) CHILDLINE referrals were received and remain open, four (4) were received and CLOSED. Investigations open are pending CRC and/or follow up. CLOSED CRC cases were determined to have taken place outside of the Lower Allen jurisdiction.

Work continues on the two Homicide Cases received recently. Initial homicide case from September 2018 is pending additional search warrant for Phone Records. Grand Jury is on hiatus until Pandemic is cleared.

Homicide received from 01 January 2020 is nearing closure. Autopsy results were received from Coroner's Office and they indicate HOMICIDE based upon multiple trauma. Detective Coffey will work with District Attorney's office to settle this case and file appropriate charges in addendum to the charges already filed or re-file charges with the additional charge of HOMICIDE.

Other Significant Activity: Detective McNair worked to organize a large DTF case that involved multiple search warrants in multiple locations for Drugs/Cash and a vehicle. Very successful operation that resulted in large seizure of items and cash. One of the targets resided in Lower Allen Township. Case offices from DTF arrested targets outside of Lower Allen. Case evidence was handled at LAPD with numerous officers assisting in the execution of the warrant.

March was an extremely busy month for all personnel due to the arrival of the SARS-COV-2 virus. The illness related to SAR-COV-2 is COVID-19. In March the World Health Organization, Federal, State, County and Lower Allen Township declared public health emergencies. EMS began preparing for the virus in the first week of March. The preparations included obtaining Personal Protective Equipment, disinfectants and sanitizers for public safety and township staff based on exposure risk. EMS has taken the lead in the on-going COVID-19 pandemic due to the nature of the operation. The focus of EMS has been safety of all staff, preventing spread among staff, preventing spread to families and the residents of Lower Allen Township.

The EMS staff have stepped-up and responded to the needs of the community and the demands placed on them by all levels of government to meet the needs of the citizens of Lower Allen Township during the COVID-19 pandemic. The effort of the staff is greatly appreciated.

The staff has handled a high amount of special orders, administrative orders, protocol changes, medication changes, patient treatment and transport changes and new best practices in an exemplary manner in response to COVID-19. Contingency plans were developed for all aspects of the operation depending on how EMS personnel are impacted. Every aspect of EMS has been affected by the response to COVID-19 and many of the implemented changes will remain in place in the future.

Personal Protective Equipment (PPE) N-95 mask, eye protection, gloves regular and extended cuffs, gowns, Tyvek suits, foot covers head covers, and face shields were all inventoried. Based on the inventory, impact of the pandemic and the expected length of the pandemic orders were placed. All of the traditional suppliers were unable to fill any request with back orders projected into June.

Alternate supply chains were researched and developed. Executive Assistant Dianna Kinsley helped with enabling access to submit orders and Director Holl provided approval during evenings and weekends to facilitate acquiring PPE.

Ed Gorrie from Boundtree medical provided grant information from a private philanthropist. Executive Assistant Dianna Kinsley put together the grant when it was received on a Saturday and Captain Deaven provided some basic narrative information and the grant was submitted within in six (6) hours of being received. The grant was ultimately approved and provided extended cuff gloves which were previously unavailable. The grant provided an amount of \$983.00 which was the cost of the gloves and was paid directly to the supplier by the philanthropist.

Captain Deaven met with the leadership from Bethany village, The Woods and Encompass in the first week to establish an effective line of communication and assist with any unmet needs. A conference call with the SCIC health administrator occurred in the second week establishing a line of communications. All conversations were extremely productive and firm relationships were established and have been on-going to ensure the safety of all EMS personnel and mitigate the spread of COVID-19.

Captain Deaven is actively participating in EHSF, PA Bureau of EMS, Pennsylvania Emergency Health Services, Ambulance Association of Pennsylvania and Pennsylvania Fire and Emergency Services Institute virtual meetings and updates. The Ambulance Association of Pennsylvania, Pennsylvania Emergency Services and Pennsylvania Fire and Emergency Services Institute have been the lead on State EMS funding and COVID-19 legislation related to EMS. The Ambulance Association of Pennsylvania is gathering data on EMS systems across the commonwealth related to the financial impact on EMS, Lower Allen Township EMS has been participating in all State and Federal data collection.

COVID-19 specific education is being provided by “Project ECHO” a voluntary national collaboration between the US department of Health and Human Services and National EMS associations. This education provides best practices and treatment for EMS. This education is free and approved for continuing education. The information has been provided to all EMS staff and is being attended weekly by Captain Deaven.

Dr. Modi has been actively involved in providing oversight and direction for all treatment updates, protocol changes, medication changes and reviewing the daily screening process and requirements.

The American Ambulance Association and National Association of Emergency Medical Technicians have been providing national updates and championing federal legislation for EMS funding and personnel support. These initiatives have been supported and resulted in several federal changes to EMS reimbursement related to COVID-19. As these changes occur the information is provided to Director Grove and his staff.

COVID-19 and the methods being used to mitigate the threat have created a reduction in EMS responses across the commonwealth. Our data matches with the state and national data. Emergency rooms and hospitals are also experience a decline in patient census. This trend will change, and the models indicate a higher call volume until the commonly.

LATEMS has continued to deliver high quality, effective, efficient, and safe patient care directly to their side in every location. In March, LATEMS touched the lives of **214** people.

Lower Allen Fire Company, Lisburn Community Fire Company, and Public Safety personnel attended the following training:

- On Wednesday 3/4/2020 Lower Allen Fire Company conducted Driver/Operator Training and Handline Operations.
- On Saturday 3/7/2020 Fire Captain Frank Wirth and Fire Inspector Bill Yeagley attended the Hazardous Materials Operations Refresher class hosted by Harrisburg Area Community College.
- On Wednesday 3/18/2020 Fire Captain Frank Wirth conducted a training session on the COVID-19 virus and precautions on how prevent its spread. Assistant Chief Chris Trace then conducted a training session on foam firefighting operations.
- Lower Allen Fire Company and Lisburn Fire Company have suspended all Company Level trainings until further notice and postponed the Hazardous Materials Operations Refresher class and Basic Vehicle Rescue Awareness class.

(The Officers of the Lower Allen Fire Company have opened their training program to neighboring fire departments. Shiremanstown Fire Company has taken advantage of this opportunity and has been consistently attending training sessions.)

Events/Activities:

On 3/4/2020 Fire Captain Frank Wirth met with Mark Miller, Career Counselor for Cedar Cliff High School to discuss the recent Public Safety Career Field Trip held on 2/27/2020. The Field Trip was a success with approximately 20 students in attendance. Discussions also included other means of public safety recruiting and conducted a field trip again next school year.

On 3/9/2020 Lower Allen Fire Company personnel with assistance of personnel from Lisburn Community Fire Company worked together to reservice Truck 12 after the fatal fire in Monroe Township. Great teamwork by both fire companies.

On 3/10/2020 Lower Allen Fire Company and Lisburn Fire Company participated in Line of Duty Death (LODD) procession for Firefighter Jeremy Guise along Route 581 with a display at the Route 15 and 851 intersection.

On 3/13/2020 a conference call was held with the officers of Lower Allen Fire Company to discuss the postponement of the Lower Allen Fire Company Banquet. It was proposed to the fire company officers that the fire company would be reimbursed for any expenses for postponing the banquet. Discussion ensued and it was decided by the officers of the Lower Allen Fire Company to continue with the banquet as scheduled on 3/14/2020.

On 3/13/2020 Lower Allen Fire Company provided stand-by coverage with Squad 12 for Citizen's Fire Company in South Middleton Township in response to the LODD of Firefighter Jeremy Guise in preparation for the funeral service on Saturday 3/14/2020.

On 3/13/2020 and 3/27/2020 meetings were conducted on the Alpine RedNMX Software Implementation Project for Lower Allen Fire Company, Lisburn Fire Company, Lower Allen Public Safety, and Lower Allen Fire Codes with the following in attendance: Public Safety Director Dave Holl, LAFC Fire Chief Dave Murdoch, LCFC Fire Chief Frank Williamson, LAFC Assistant Chief Chris Trace, Fire Captain Frank Wirth, Fire Inspector Bill Yeagley, and PSO Bryce Landis. At this time many of the items have been addressed and it has been decided that the meeting schedule will be changed from weekly to biweekly meetings on Friday mornings.

From 3/16/2020 to 3/27/2020 an individual and collaborative effort of the Lower Allen Township Department of Public Safety, Lower Allen Fire Company, Lisburn Community Fire Company, and Lower Allen Township EMS occurred to develop policy and direction to all responders to the COVID-19 virus pandemic. This effort resulted in policy and direction on Personal Protective Equipment requirements, Emergency Response policy, and the protection of First Responders and the Public during this challenging time.

On 3/18/2020 the Lower Allen Township Department of Public Safety suspended all car seat inspections/installs, smoke alarm installs, fire extinguisher training, and fire prevention presentations until further notice. For now, Public Safety Officers will be taking contact information and once the COVID-19 restrictions are lifted, we will work to schedule those activities requested.

On 3/27/2020 Lower Allen Fire Chief Dave Murdoch reported on a fire company member and spouse were being treated as a COVID-19 person under investigation. Because this member had responded to an incident the day before all personnel on the call were notified to monitor for COVID-19 symptoms and the fire apparatus in question was disinfected. The next day on 3/28/2020 it was confirmed that the test results were negative for the member and spouse.

On 3/30/2020 Lower Allen Fire Chief advised Public Safety Director Dave Holl that the Fire Officers would like 24/7 PSO Coverage to insure consistent Fire Apparatus Driver/Operator coverage at this time. At the direction of Public Safety Director Holl, Fire Captain Frank Wirth communicated to all PSOs that they would be performing 24/7 coverage and it is currently implemented until further notice.
