PUBLIC WORKS DEPARTMENT

MONTHLY REPORT OCTOBER, 2019

Leaf collection, throughout the Township, began on October 21st and will continue through the week of December 9th. Leaves will not be collected during the Thanksgiving holiday break, November 28th through December 2nd. Collection areas will be updated daily, on the Township website, making easy reference for residents as to when leaves in their area will be picked up.

Deliveries of wood chips and leaf compost, to Lower Allen residents, will continue on Thursday and Friday mornings, through the first week in November. Pre-payment must be made at the Municipal Services Center, before deliveries can be scheduled. Product can be self-loaded during regular business hours, all year- round, Monday – Friday, 7:00am – 3:00pm. The last Saturday drop off, for the year, will be November 10th, 8:00am – 1:00pm. The second Saturday drop off will start again in April of 2020.

The sporting events, at the Community Park, were wrapped up during the month. The Dillsburg Soccer tournament, which was held during the Columbus Day weekend, had a great turn-out. More than 50 teams participated in the two day shoot-out. Parking was at a minimum, but no problems were reported.
