The Department of Public Safety continues to move forward in our mission to provide for the safest community possible through service to our residents and visitors.

2019 was an exceptional year that brought with it many trials, tribulations, rewards, successes, and a roadmap for the next five years.

As we move into 2020, the work of the staff and Public Safety Committee members has laid a solid foundation for the ongoing success of the Department of Public Safety and the volunteer fire departments. We hope to build on that foundation as we continue to serve the residents and visitors to Lower Allen Township.

During the month of January, I've listed the highlights of my activities as the Director of Public Safety.

Wednesday, January 1st – Friday, January 3rd – Out of the office for the holiday and vacation time.

Monday, January 6th – Held a Captain's 2020 kickoff meeting to review the budget and discuss goals and objectives for the coming year.

In the evening attended the Board Meeting where Public Safety had two Agenda Items. One, a request for activation of the Civil Service Commission to authorize participation in the March CC Chiefs Testing Consortium, and two, a request for permission to advertise for a Fulltime PSO (Replace Dunbar) and develop a PT PSO pool.

Tuesday, January 7th – Attended a departmental meeting and completed various administrative duties through the day.

Wednesday, January 8th – Worked on PSO job descriptions in the morning and then attended Derry Township Police Officer Mike Henry's funeral at St. Joan of Arc in Hershey.

Thursday, January 9th – Attended the Local Emergency Planning Committee (LEPC) meeting at Cumberland County Public Safety Center. In the evening met to discuss volunteer recruitment options.

Friday, January 10th - Attended the Alpine Software implementation working group followed by the Public Safety Coordination meeting.

Monday, January 13th – Met with the Manager in the morning. Then reviewed the final specs for the proposed new ambulance with Captain Deaven.

In the evening attended the Local Emergency Management Coordinators meeting at Cumberland County 911.

Tuesday, January 14th – Attended the Hexagon CAD LE Mobile configuration workshop. Cumberland County will be transitioning to new CAD and mobile for public safety beginning in August of this year.

Wednesday, January 15th – Again attended the Hexagon CAD LE Mobile configuration workshop.

Thursday, January 16th – Again attended the Hexagon CAD LE Mobile configuration workshop.

Friday, January 17th – Attended the Alpine software working group meeting and then met with the Physio-Stryker rep to discuss stretcher options.

Conducted a meeting with Captain Wirth to discuss the PSO revised job descriptions.

Saturday, January 18th - Met with Chief Murdoch and Captain Wirth to finalize the PSO job descriptions drafts.

Monday, January 20th – Attended to various administrative requirements.

Tuesday, January 21st – Completed various Board Agenda item for the 1/27 meeting.

Wednesday, January 22nd – Attended to various administrative requirements.

Thursday, January 23rd – Attended the Central Chiefs of police meeting held at the AACA museum in the morning and a retirement gathering at PEMA in the afternoon.

Friday, January 24th – Out of the office to attend Glenn Cannon's funeral in Pittsburg. Glenn was the former Public Safety Direction for the City of Pittsburg, was a Deputy Director at FEMA, and was Director of the Pennsylvania Emergency Management Agency under the Corbitt administration. Glenn hired me as a Deputy Director at PEMA. He was an icon in public safety and a tremendous mentor in my career. He will be deeply missed.

Monday, January 27th – Met with the manager in the morning, then conducted the Captains Lunch and Learn session.

In the evening attended the Board of Commissioner's meeting where several Agenda Items were presented including the revised PT PSO Job Description Request & Permission to advertise, the revised FT PSO JD Approval Request & Permission to advertise, the PT Admin Clerk JD approval request & Permission to advertise, and a request to order new police SUVs from Capital, Mike Houser's Hiring Request, and acceptance of Mike Quenzer Resignation.

Tuesday, January 28th – Out of the Office sick.

Wednesday, January 29th – Out of the Office sick.

Thursday, January 30th – Held a conference call with Cody Systems and Captain Crone to discuss a presentation at the Cody Connect Conference in June.

Friday, January 31st – Attended the Director's Meeting in the morning and met with Captain Deaven in the afternoon to review EMS status.

Respectfully Submitted,

David L Holl

Director, Department of Public Safety

DEPARTMENT HEAD:

During the month of January, Captain Crone attended BOC meetings and Department Head meetings. A Public Safety Captains' meeting was attended and a direction-setting meeting regarding the future of PD/PSO interaction was attended. Lower Allen played host to the monthly meeting of the Pennsylvania Police Accreditation Coalition.

January was a data and analysis-intensive month. For the February report, the intent is to share some of that information in summary, in conjunction with the usual month-to-month data.

Patrol Officer of the Month was Bryan Rennie - During the month, he made nine arrests. Two of these were self-initiated incidents. One started as a suspicious vehicle with an "RT" tag at Walmart that had been occupied by three younger looking individuals. Ofc. Rennie observed their suspicious behavior and made a mere encounter with two of them. The third had fled. Ofc. Rennie's initial and follow-up investigations on this incident resulted in discovering that the vehicle had been stolen from Hampden Township. The vehicle was recovered, and the involved juveniles were identified and charged.

Ofc. Rennie's second self-initiated incident resulted in five fraudulent inspection stickers being seized from vehicles parked in front of a known drug / problem residence. While on routine patrol in the area, Ofc. Rennie observed the fake stickers on one of the vehicles parked curb side in front of the house. Contact was made with the homeowner, and four more of their vehicles were found to have fake stickers. Charges were filed.

Ofc. Rennie was assisted Ofc. Scarlato and other officers on an active retail theft where the suspects fled on foot. The suspects were located in the mall lot and again fled from Officers Rennie and Walters. Ofc. Rennie properly used his Taser to subdue one of the suspects which led the other one to surrender.

The totals are in and Officer Rennie was also selected as Patrol Officer of the Year. The selection was a difficult choice due to the fine work being done by many officers, but as you have likely seen in previous monthly reports, Officer Rennie's work stood out.

SUPPLEMENTAL INFORMATION TO FOLLOW.

COMMANDER:

The New Year started with staff working hard to select equipment for several new patient care enhancements approved in the 2020 budget. Staff was actively involved in providing feedback and recommendations for the replacement of ambulance 1-74. The staff continues to adapt to change quickly and provide feedback to ensure positive outcomes. The staff's effort and hard work are greatly appreciated.

Much of the staff have had an opportunity to learn the revised peer review performance improvement process to ensure the process can be fully implemented in February. The number of errors requiring correction continues to decrease. When fully implemented in February, peer review for documentation will be done on all the shifts as a regular duty of all staff.

The Patient Refusal Focused Performance Improvement program will transition from Paramedic Quenzer to Paramedic Houser in February due to Paramedic Quenzer changing status. The program will not be affected due to the extensive experience and background of Paramedic Houser.

The schedule continues to be successfully managed in a positive direction. The staff have done an excellent job in covering the openings. The staff's hard work and dedication are commendable and greatly appreciated.

EMS outreach at the Capital City Mall continues weekly. In late January, EMT Chambers received the following information.

While at the mall doing blood pressure checks this morning, one of the customers came up to me to thank us for doing our checks. They stated that one day there were two females doing checks (this was sometime within the past 4 weeks), "a short one and a tall one." (EMT Jackie Dougherty and EMT Amy Nye) One of the females noticed that her husband had an irregular heart rate and asked if they had A-fib. The husband said "no," but this was enough for him to check with his PCP about it. The man does not have A-fib, but after going to his PCP they found some occlusions in one of his coronary arteries, and he had to go to the Cath-lab and get a stent. They said they may not have noticed it until it was too late, but thanks to "those two" her husband is healthy and still walking the mall with his wife.

They wanted me to extend their thanks.

In January, EMS evaluated the blood pressures of 43 mall walkers and discussed a wide range of concerns listed below:

- Orthopedic injuries/falls
- Possible causes of low BP
- Chronic back pain
- COPD
- Cardiac issues (decreased heart rate, arrhythmias, AICD placement)

- HTN issues
- Medication changes
- Sinus problems
- Concerns over new insurance cards/changes to insurance with the start of the New Year
- Multiple individuals discussed frustration with feeling doctors are not listening to them

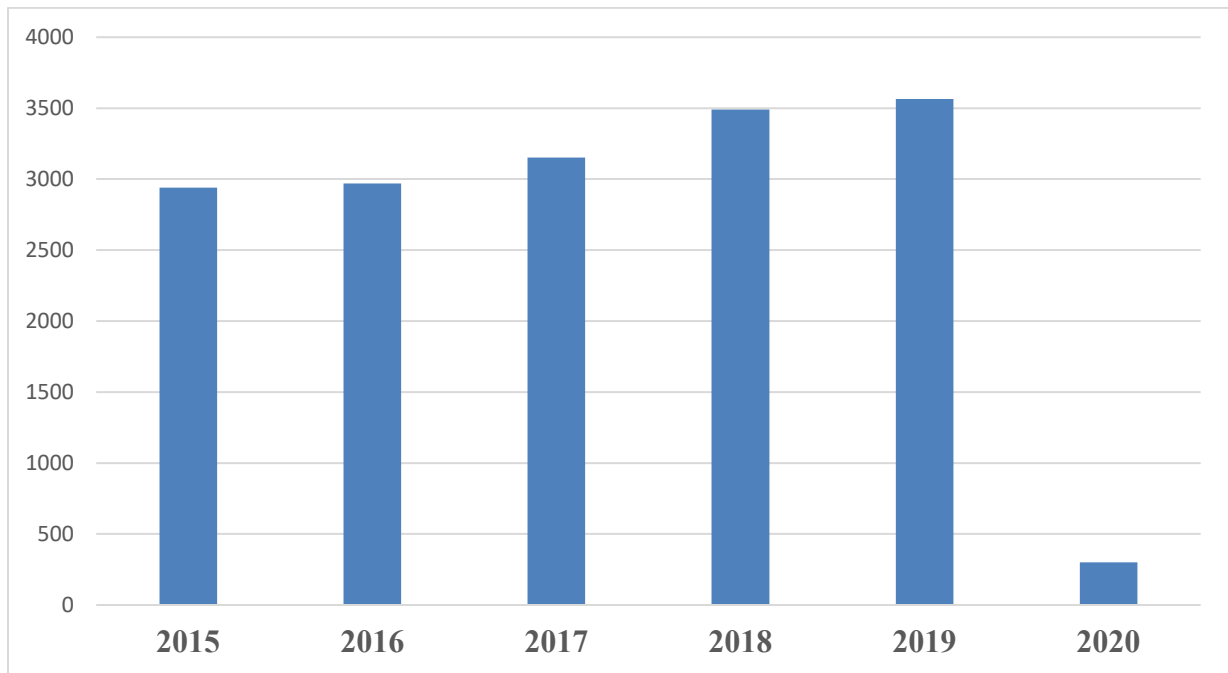

The Assistance to Firefighters grant formally opened and Captain Deaven worked with the grant writer providing the preliminary information to begin development of the grant for Community Paramedicine.

Executive Assistant/Grant Writer Dianna Knisley, Captain Deaven and Director Holl worked on 2020 grant priorities for Firehouse subs, Walmart and the Office of the State Fire Commissioner.

The Staff, Captain Deaven, and Director Holl continue to work on new ideas and concepts to deliver the highest possible quality of care and continuous improvement for EMS operations.

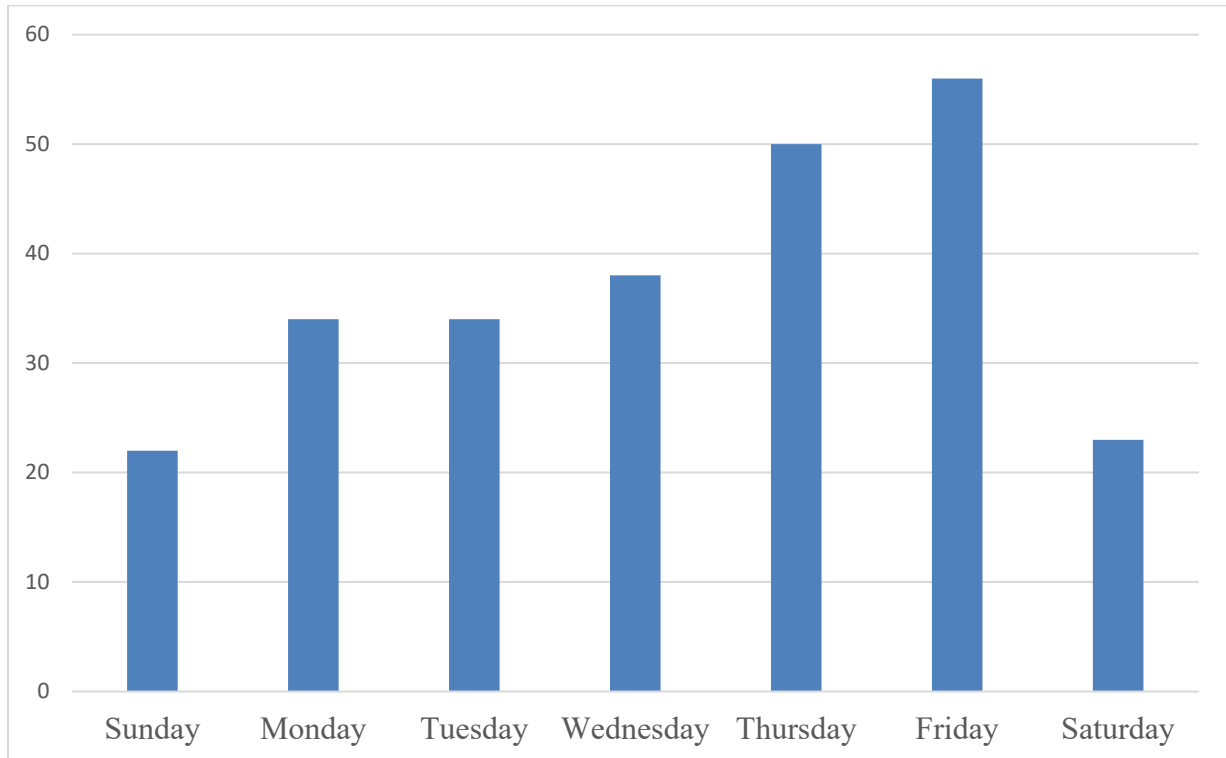

Demands for EMS continue to grow with the growth of the Township, aging society and the challenges of health care. EMS has been and continues to be the community's medical safety net. People request EMS for a variety of reasons but in most cases, it is during a highly stressful and often uncomfortable and painful time in their life. LATEMS delivers high quality, effective and efficient care directly to their side in every location. In December, LATEMS touched the lives of **257** people.
