Cumberland County’s Electronic-Recycling Center is open for business. The new facility will have limited hours, until demand for service is assessed. A fee of .50 cents per pound, will be implemented, for recycling electronic items. For a listing of days/hours of operation, and a listing of acceptable items, please check out their website at [www.ccpa.net](http://www.ccpa.net). Or contact the facility at 717-240-6489.

Leaf compost and wood chips are available and will continue to be delivered on Thursday and Friday mornings, through early November. Pre-payment must be made at the Municipal Services Center, before deliveries can be scheduled. Product can be self-loaded during regular business hours, Monday – Friday, 7:00am – 3:00pm, or the second Saturday of each month, through November, 8:00am – 1:00pm.

Crews have been repairing drain boxes and taking care of minor road repairs throughout the Township. Since this is not a paving year for the Township, we took this opportunity to address repairs on 65 drain boxes at random areas. We hope to tackle most of the repairs this year, depending on weather and manpower. Milling and blacktop work, were addressed on Columbia Drive, Cedar Cliff Manor, Allendale development, Amherst Dr., Rossmoyne Manor, Highland Estates II, and some areas at The Lower Allen Community Park.

Drainage work and re-seeding of areas at the Community Park, Dog park were completed at the end of the month. The lay of the land is causing some problems at the gate area, on the large dog side of the park. Crews mulched both park sides and installed stone to help alleviate problems by the entrance gate. We hope this will help keep the dirt from continuously washing away, in that area.
During July, the following projects were completed:

- Roadside Tiger and Tri-deck mowing
- 57 Sign repairs/replacements (12 PA-One Calls)
- Vegetation control spraying and tree trimming at Township parks
- Cleaned inlet tops – before and after storms
- Brush grinding with County machine
- Batting cage repairs – Wass Park
- Repaired exit pipe drainage pond on Ewe Road
- Filled in washouts at The Cliffs drainage swale
- Street sweeping at Seneca Ave. and Oneida Rd.

Meetings: Safety Meeting – (Bob Nailor)
Department Head Meeting (2) – Bob Nailor
Safety Training class – All PW employees
Seal coat Training – (Ryan Turpin, Scott Harbold, Jeff Brewbaker, Ben Peters)

Respectfully submitted,

Bob Nailor,
Public Works Coordinator
