March continued to be very active for the Department of Public Safety as well as the activities of the Director.

Wednesday, March 1st – We continued classes for the Fire Inspector 1 certifications with the PSOs. This will provide them the ability to conduct fire inspections throughout the Township in assisting the Codes Department as well as providing them additional expertise at fire scenes in knowing where fire code violations may have been present and if they may have led to a preventable fire. Classes were taught by Bill Yeagley from LA Codes. Once the training is done, the PSOs will be able to sit for the test through HACC and be certified.

Friday, March 3rd - I attended the State 9-1-1 Advisory Board meeting at PEMA. The Board is tasked with the oversight of 9-1-1 in Pennsylvania under the new 9-1-1 Act incorporated into Title 35. 9-1-1 is transitioning from a “switched” environment in the phone company’s central offices to a data driven environment based upon IP technology.

Tuesday, May 7th – Myself and LA Fire 1st Assistant Fire Chief Dave Murdoch attended the Cumberland County Radio Meeting at the Shippensburg Firefighters Center. There were four of these meetings scheduled at various locations in the county for the County’s consultant to talk about the radio replacement project moving forward. There were no deadlines given or any other information on timelines. Currently the process involves collecting information from the first responder community.

Monday, March 13th – members of the Fire company, EMS, EMA, and the Police department met to discuss the pending snow storm for Tuesday and the logistics for the emergency services and snow removal.

Monday, March 13th – I attended the LA Commissioners meeting where the Fire Captain Job Description was presented and approved. Also, the Job description for Criminal Investigator was approved.

Wednesday, March 15th – I attended the Hazmat Refresher class sponsored by the fire company for Hazmat Refresher certification. All members of the fire company and EMS are required to be certified annually at the Operations level.

Thursday, March 24th – I attended the Director’s Meeting.

Saturday, March 25th – I attended the Board of Commissioners Strategic Planning Meeting in Gorgas Hall. A presentation on the challenges facing Public Safety in the next five years was made to the Board.

Monday, March 27th - I attended the Board of Commissioners meeting where the 12-hour side letter to the Association contract was presented and approved by the Board. The Rear Parking Lot fence – Phase 1 – project RFP proposal was also approved by the Board for advertisement.

Tuesday, March 28th – I attended the Homeland Security Conference in the afternoon at Central Penn College, and then returned to the Township building to attend the rescheduled TMI training for the exercise scheduled in April. Jerry Beaver of Excelon hosted the training.

Wednesday, March 29 and 30th – I again attended the Homeland Security Conference.
DEPARTMENT HEAD/COMMANDER:

The 12-hour schedule details have been hammered out and the trial begins on 4/3/17. Staff will be monitoring the impact on agency operations and on the officers to determine if there is any detriment from an administrative standpoint.

During March, Captain Crone attended Department Head meetings, Regroup Notification System meetings, a Public Safety Coordination Meeting, several meetings regarding the implementation of the 12-hour schedule, a Public Safety Command Staff meeting, and a Police Supervisors’ meeting.

Captain Crone also presided over the monthly meeting of the Pennsylvania Police Accreditation Coalition, hosted by our agency. He also attended the Pennsylvania Police Accreditation Coalition Conference and Commission Meeting.

Three directives were modified and implemented in February, among them, an administrative order outlining temporary regulations during the 12-hour schedule trial.

NALOXONE
There were no police department administrations of Naloxone during this month
UCR Crime Statistics

This graphic shows the crimes reported by type for the month and year-to-date, along with last year’s numbers.

**TRAINING**

Several officers have completed 2017 Mandatory In-Service training (MIS).

Several officers continued or completed PowerDMS-based policy training.

Officer Milletics continues field training and has been performing well. He will be done on 4/2/17.

CSO McIlhenny began her field training program.
Officer Cox began field training after an orientation period of in-office training.

Cpl Tamanosky provided defensive tactics and police baton training to several officers.

First Aid/CPR/AED training was provided to several employees.

**CRIMINAL INVESTIGATIONS FUNCTION:**

**Arrest Summaries:**

**Detective McNair:** Arrested male suspect for possession of drug paraphernalia for an incident at an unknown location;

**Detective Corporal Sentman:** arrested a female suspect for theft and various other offenses for an incident in the 5000 Block of Louise Drive; arrested a black male suspect for an incident in the 5000 block of Louise Drive for forgery, theft, and related offenses.

**Significant Open Investigations**

**Detective McNair:** Terroristic Threats case from the 1300 block of Carlisle Road, male juvenile suspect, charges pending, Sex Offenses from the 5100 Block of Simpson Ferry Road involving both a juvenile victim and juvenile offender;

**Detective Corporal Sentman:** Investigating 16 different bad check cases from the 5000 Block of Louise Drive, multiple suspects; two theft cases from the 5000 block of Louise Drive

**Other Significant Activity:**

**Detective McNair:** received multiple Megan’s Law offender notifications from various areas in the Township;

**Detective Corporal Sentman:** Received and cleared multiple CHILDLINE cases received.

**Photo Card Downloads: 15**
Evidence Custodian:

- Amanda McIlhenny started volunteering in the Evidence Section
- Starting evidence purge of Evidence Room
- Working on PA Unclaimed Property Audit – 2016
- Submitted a negative report to PA Unclaimed Property for 2016, due to the new due diligence requirements.

Vehicle Maintenance:

03/06/17 Car 19 Township Garage – Engine maintenance
03/06/17 Car 05 Township Garage – Service
03/07/17 Car 16 Hoffman Ford – Oil Leak - Warranty
03/08/17 Car 06 Moyer Communications – Replaced grill lights
03/13/17 Car 03 Township Garage – Replaced battery
03/21/17 Car 11 Township Garage – Serviced
03/21/17 Car 16 Township Garage - Brakes
03/27/17 Car 12 Township Garage – State Inspection
03/28/17 Car 19 Township Garage - State Inspection

Quartermaster:

03/06/17 Purchased uniforms and equipment for CSO McIlhenny
03/29/17 Purchased winter jacket for CSO McIlhenny
03/29/17 Purchased OC Holder – CSO Stambaugh

Projects:

-Moved podium and computer table in EOC. Ran computer cables and electric
-Working on Shooting Simulator Installation
-Assisted Scot Emerson with fishing wire for new card access readers
-Federal Surplus – furniture for EOC

CSO PROGRAM

CSOs continued to fill as much of the 62 hours of street shifts as possible. Street hours were expanded this year by two hours each day on Monday, Tuesday, and Wednesday to help accommodate shortages in school crossings and the early part of the evening rush. CSOs filled about 50 hours of special details.

RECORDS FUNCTION:

Records staff continues the normal daily routine of organizing, filing, and distributing paperwork as appropriate, as well as fielding calls for service over the phone and handling or directing walk-up customers. Bria Gaumer’s part-time hours have been increased and have quickly been consumed by workload. Records staff attended Right to Know training at the township building this month.

The Lower Allen Twp. Police Dept. (LATPD) had 1,271 dispatched calls for service from Cumberland County Communications in March, 2017.

On 3/2/17, Ofc. Justh was punched in the face by a mentally handicapped subject. Ofc. Justh was injured and her glasses were broken. There were no CSOs injured or assaulted in the month of March, 2017.

During the month of March, 2017, LATPD issued 127 traffic citations, 25 non-traffic citations, 15 parking tickets and 46 traffic warnings.

There were 50 traffic accidents reported to LATPD in March, 2017. Of these, 12 were reportable traffic accidents and 38 were non-reportable traffic accidents. One of these traffic accidents was DUI related.

PPO Timothy Cox started working for LATPD on 3/6/17. He started FTO and is currently being trained by Ofc. Thomas Gelnett.

PPO Milletics successfully completed FTO on 3/31/17.

</table>
The month of March was a very busy month for the EMS Division. The EMS Division responded to 266 emergency calls for the month. The breakdown of the calls are as follows: The MICU responded to 71 ALS calls in the Township, and the MICU also responded to 51 BLS calls in the Township. The MICU responded to 10 calls outside the township as a mutual aid MICU. And the MICU responded to 10 mutual aid BLS calls outside the township. The EMS Division responded to 1 additional emergency call in March 2017 as compared to March of 2016.

The second due ambulance was placed in service for 40 shifts for the Month of March during the week, Monday through Friday. During the month, the second due ambulance responded to 31 second due emergency calls. The breakdown of the calls as follows: Ambulance 174 responded to 8 second due emergency calls, and Ambulance 274 responded to 9 second due emergency calls, and Ambulance 374 responded to 14 second due emergency calls. The EMS Division responded to 8 additional second due emergency calls in March of 2017 as compared to March of 2016.

The EMS Division started out the Month of March with the Practical testing for numerous part-time EMT positions. Four candidates were sent through a patient assessment scenario, physical agility testing, and the last portion of the testing was writing a patient care report.

I attended the Public Safety Command Staff Meeting, along with Director Holl, Capt. Crone, Lt. Thomas and Executive Assistant Dianna K尼斯ley. The purpose of the meeting was to discuss the happenings in each of the department represented at the meeting and to obtain any information facilitated by Director Holl.

I attended a meeting in preparation of the Winter Storm Stella. The EMS Division put all the staff on total recall, and the EMS Division up staffed all three ambulances during the height of the storm and for 24 hours following the storm. Staffing included having 1 MICU and 2 BLS Units in service for the storm. The EMS staff worked various rotating shifts to make sure all the shifts were covered. The EMS Staff Members did a great job in making sure all the shifts were covered during the height of the storm.

Director Holl and I attended a meeting the Barry Albertson, Director of Operations for Community Life Team. The purpose of the meeting was for both organizations to get together and discuss how the operations and any possible issues between Lower Allen Twp. EMS and Community Life Team.

I attended the Public Safety Citizens Academy. This portion of the class was presenting the EMS Division to the students, and giving the students the opportunity to meet and greet with the Command Staff of the EMS Division. Also during the meeting, I took the opportunity to discuss the daily operations of the EMS Division with the students, and gave the students a brief history lesson of the EMS Division. When the lecture portion of the class as completed, the students were given a tour of the EMS apparatus. During the class, the students also learned about the Fire Department and the Fire Apparatus. This portion of the class as presented by Deputy Chief Murdoch.

I attended another Winter Storm Stella meeting to discuss the operations for the days following the storm when residents started to dig out. After 24 hours, the EMS Division scaled back the staffing and went back to normal staffing levels and normal coverage of the MICU and the BLS Truck.
I attended a meeting with Manager Vernau and Finance Director Grove. During the meeting, we discussed changing the work day for the EMT’s from a 7.5-hour work day to an 8-hour work day. The EMS schedule was also discussed at the meeting about working Holidays. An explanation of how this is reworked for holiday staffing was given to Manager Vernau and Director Grove. The schedule is currently changed to facilitate the EMS Staff working 8 hour shifts on the holidays instead of leaving the schedule alone and not changing the shifts around for the holidays. Manager Vernau and Director Grove agreed that the schedule did not have to be changed, but his would need to be discussed with Director Holl before any changes could be made.

I attended the EMS and Public Safety Staff Meeting, and immediately following the meeting was the EMS Division’s Annual Hazardous Material Operations Refresher Training. The class as attended by the EMS Division Staff, PSO’ and members of the Fire Department. The class was taught by Fire-Fighter and Hazardous Materials Instructor Thomas Rigling, from the New Cumberland Army Depot.

To around the month of March, I attended the Right to Know Training hosted the by the Township. The training was very informative on how employee information can be released to the requestor.

I attended a meeting along with Manager Vernau and Director Holl, the purpose of the meeting was to discuss the details of the meeting that I attended with Manager Vernau and Finance Director Grove. After a discussion, Director Holl was on board and supportive of changing the EMT’s work day from 7.5 hours to 8 hours. And Director Holl was supportive in keeping the schedule the same for holiday staffing.

The Public Safety Officers (PSO's) continue to be very busy assisting the Department of Public Safety. The Public Safety Officers divide their time between the Police Division, EMS Division, Lower Allen Fire Department (LAFD) and the Lisburn Community Fire Company (LCFC).

For the month of January, the PSOs responded to 23 of the 43 documented fire calls answered by LAFD. Despite the storm, this is a higher than normal call volume. Some of the calls answered by the PSOs were as follows:

- Motor Vehicle Accidents - 3
- Automatic Fire Alarms - 2
- Fires - 2
- Smoke/Odor Investigations - 6
- Working House Fires - 3
- Medical Assists w/ Fire Dept. - 2

There was an average of 4 volunteers per call for this month. With at least 1 live-in per call. All apparatus is in service. Station 1 units responded to 100% of the calls while station 2 units responded to <50% of the calls. The PSO's responded to the following calls for service from the Street shift assignment. Some of the calls for service are listed below. The Police Department also utilizes the PSO's to handle other calls for service as well.

- Asst. EMS - 52
- Motor Vehicle Accidents – 8
- School Crossings - 11

PSOs completed their Hazmat refresher this month. PSO Zeiders is still training on Truck 12. PSOs Toot and Cook are preparing for their Fire Inspector test. PSOs Landis and Zeiders are still working through the class. PSOs continue to cover EMS shifts for EMT Nye who is out of medical leave. Coverage has also been provided for the new weekend BLS truck.
