Instructions for Delivery

Delivery will be made on a Thursday or Friday between the hours of 7:30am and 12:00pm. We will only dump the material in the driveway. Please mark the location by using a bucket or by laying out a tarp. Make sure the dump area is clear of any overhead obstructions including power lines and tree limbs. **On the day of your delivery, please make sure that your driveway is not blocked by a parked car or other objects. If the area is not cleared, your delivery will not be made and you will be contacted to set up a new delivery date.** Selection of the correct material is the customer's responsibility. A pick- up/clean-up fee of \$30.00 per hour (per worker) will be charged for any incorrect delivery.
