1. Applicant agrees to abide by the Special Conditions, as listed in Special Conditions (Exhibit A), made a part of this Permit herein.
2. Applicant agrees to reimburse Township for all costs incurred associated with Applicant's work in the vicinity of traffic signal equipment, including but not limited to response maintenance, repair and inspection.
3. Maintenance and repair of the traffic signal shall be accomplished by the Township, through Township personnel, by maintenance contract, or a combination of both. The cost of maintenance and repair, including the value of labor and expenses incurred by Township personnel, shall be submitted to Township by Applicant within 30 days of notice from Township.
4. Failure of the Applicant to submit the required reimbursement within the time specified will entitle the Township to avail itself of all legal and equitable remedies against Applicant. Applicant agrees to pay the Township's legal fees and costs incurred in these actions.
5. Applicant shall at all times indemnify and save harmless the Township, its elected and appointed officials, employees, agents, and servants, of and from all claims for Worker's Compensation and any other claims which may be made by any of the employees of the Applicant or any of the employees of any Sub-Contractor to whom the Applicant may have let the performance of any part of the work embraced by this permit or any third party, and the Applicant will appear for and defend the Township against any and all such claims.
6. This Permit shall be binding upon and endure to the benefit of the parties hereto and their respective heirs, personal representatives, successors and assigns, as the case may be. All assignments are subject to prior written approval of the Township.
