

## Fence Application Checklist

- Submit diagram depicting fence on surveyor's plot plan. If plot plan is not available, use aerial photo.
  
- How will location of property line be verified?
  - Existing monuments or markers set by surveyor
  - Surveyor will stake out prior to installation
  - Plot plan with an offset buffer
  
- Draw each segment and indicate height of each section or submit drawing from contractor.
  
- If height is greater than 6ft, please provide depth of footing, how posts are anchored, and project cost.

---

---

- Please list the construction material of the fence.

---

---

- What is the purpose of the fence?
  - Privacy
  - Security/Safety
  - Replacement pool safety barrier (additional information is required, see pool application checklist)
  - Property delineation
  - Other: \_\_\_\_\_

- What is the distance from the property line?

---

- If the fence will be located on the property line or across property line, submit recorded Agreement and Grant of Cross Easement.
- If property is subject to Homeowner Association (HOA) regulations for fences, submit approval.
