

Utility Affidavit for Relocation or Demolition of Structures

Prior to demolition or relocation of any structure served by utilities, the owner or agent shall notify all utilities having service connections within the structure, such as water, electricity, gas and sewer. The undersigned owner or agent certifies that all service connections and appurtenant equipment, such as meters and regulators, have been removed or sealed and plugged in a safe manner. The undersigned also certifies that all utilities have released the owner or agent from responsibility for said connections.
