

NOTICE OF OPEN HOUSE PUBLIC MEETING

Sampling Private Drinking Water Wells for PFAS near Naval Support Activity Mechanicsburg Mechanicsburg, PA

The Navy is hosting an Open House to provide information to the public about the Navy's offer to sample private drinking water wells near NSA Mechanicsburg. The sampling is for certain per- and polyfluoroalkyl substances (PFAS), which may be present in these private drinking water wells due to past use of firefighting foam or other PFAS-containing materials on base.

EVENT | Open House

Date: Monday, June 16, 2025

Time: anytime between 6 p.m. and 8 p.m.

Location: West Shore Elks #2257 (108 St Johns Church Rd, Camp Hill, PA 17011)

The public is invited to attend an Open House to:

- Inquire if your property is located within the sampling area, and if eligible, schedule an appointment to have your private drinking water well sampled.
- Talk one-on-one with representatives from the U.S. Navy, U.S. EPA Region III, Pennsylvania Department of Environmental Protection, and Pennsylvania Department of Health.
- View project maps of current PFAS investigations being conducted at NSA Mechanicsburg.

Property owners may also schedule a drinking water well sampling appointment by calling and leaving a message at 1-800-730-1478. Please include your name, property address, and telephone number, and a Navy representative will return your call. ***(Note: If your drinking water is provided by Pennsylvania American Water or Veolia Pennsylvania, the Navy does not need to sample your water.)***
